ARTICLE 3 - NEGOTIATION PROCEDURES

- 3.0 During the course of any negotiations described in this article, the parties mutually pledge that such negotiations shall be conducted in good faith. If either party determines that further negotiations seem impossible of producing a satisfactory agreement, then either party may initiate the impasse procedure provided by law.
- 3.1 If either party desires to modify or amend the Agreement, a written notice must be given to the other party. If such notice is given, negotiations for a successor Agreement shall be initiated before this Agreement expires.
- 3.2 In the event that it is mutually agreed that an article of this Agreement should be renegotiated, the representatives of the Board and the Organization agree to meet. These meetings are not intended to bypass the negotiations or grievance procedures. Each party will submit to the other, at least five (5) working days prior to the meeting, an agenda covering what they wish to discuss. If a meeting results in a mutually acceptable amendment to the Agreement, said amendment shall be subject to ratification by the Board and Organization the same as this Agreement.
- 3.3 In the event that both parties agree to meet during regular working hours, release time shall be provided to the Organization negotiating team. This release time shall be without loss of pay. When negotiations must occur after contracted hours, comp time shall be provided to the member of the Organization's bargaining team.
- 3.4 In any negotiations described in this Agreement, neither party shall have control over the selection of the negotiating representatives of the other party. Negotiating sessions shall be held at mutually agreed dates, times and places. The date, time and place of the next session will be agreed upon as an item discussed during each meeting. During negotiating sessions, either party may caucus privately.
- 3.5 Any costs incurred through mediation will be borne by the party requesting the service. Fact finding costs will be shared by the Board and the Organization.

The affected employees must ratify any waiver that requires a substantial change in language or past practice.

- 3.7 Throughout negotiations, all tentative agreements shall be signed by representatives designated by each party. There shall be four (4) signed copies of any final Agreement. Two (2) copies shall be retained by the Board and two (2) by the Organization. It is recognized that no agreement between the parties shall be final until signed by the chief executive officer or his

designee and ratified by the Board and by members of the bargaining unit, as Statutes subject to any revisions or amendments thereto.

ARTICLE 4 - GRIEVANCE PROCEDURE

- 4.0 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to disputes between the parties hereto involving the interpretation or application of this Agreement. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate. A grievance shall be filed by a member(s) of the bargaining unit.
- 4.1 Any bargaining unit member shall have the right to request representation by the Organization at any step of the grievance procedure. No grievant may be required to discuss any grievance if the Organization representative is not present. However, any individual grievant shall have the right to present grievances to the proper level and to have such grievances adjusted, without intervention of the bargaining agent as long as the adjustment is not inconsistent with this Agreement and if the bargaining agent has been given reasonable opportunity to be present at any meeting for the resolution of such grievance. A grievant shall not be represented by a representative of any other employee organization.
- 4.2 Grievances will be processed as rapidly as is possible to obtain full facts on which to base sound judgment with the number of days indicated at each step to be considered as maximum. Time limits may be extended by mutual consent.
- 4.3 All grievances shall be brought to the attention of the principal or appropriate supervisor within fifteen (15) days of the occurrence of the grievance or within fifteen (15) days of when the employee knew or should have known of the events which gave rise to the grievance or they will not be considered. Copies of the principal's or supervisor's decision given at any step beyond step one shall be provided to the Organization.
- 4.4
- (1) The term "days" when used in this article shall mean teacher work days.
 - (2) "Employee" shall mean any member of the bargaining unit.
 - (3) "Supervisor," where appropriate, shall mean the principal of the school.
 - (4) "Grievant" shall mean employee or group of employees.
 - (5) "Grievance" shall mean an alleged violation or a dispute involving the interpretation or application of this Agreement.
- 4.5 Within fifteen (15) days of the time an alleged violation occurs, the grievant will present the grievance to his supervisor during non-pupil contact time. Within five (5) days after presentation of the grievance, the supervisor shall give his answer orally to the grievant.
- 4.6 Step One. If the grievance is not resolved, the grievant may, within five (5) days after receipt of the supervisor's answer, submit to the supervisor a signed, written statement of grievance. The statement of grievance shall name the employee or employees grieving, state the facts giving rise to the grievance, identify the section of the Agreement alleged to have been violated by reference, state the contention of the grievant with respect to these provisions, indicate the relief requested, and shall be dated and signed by the grievant or grievants. The supervisor shall give the grievant a signed answer in writing no later than five (5) days after the receipt of the written grievance.

- 4.7 Step Two. In the event that the decision of the supervisor is not acceptable within five (5) days, appeal the grievance to the Superintendent or his designee. The grievant, and his/their representative(s) may meet with the Superintendent or his designee, who is not the supervisor in Step One, within ten (10) days in an attempt to resolve the matter. The Superintendent or his designee shall give an answer in writing within five (5) days from the time of the meeting.
- 4.8 Upon mutual agreement of the parties, the grievance may be submitted to grievance mediation prior to submitting the grievance to arbitration according to the procedures outlined in Article 4.9. When the parties agree to submit the grievance to mediation, the timelines are waived until the mediation process is concluded.
- 4.9 Step Three. If the grievance is not resolved by Step Two, the grievant, following such procedure as is required by law, may have the grievance placed on the agenda of the next regularly scheduled Board meeting. In the event a grievance cannot be heard within ten (10) days, a special meeting will be called for the purpose of hearing the grievance. The Board shall give its answer in writing within ten (10) days.
- 4.10 Step Four. If a satisfactory disposition of the grievance is not made as a result of the procedure provided for in Step Three, the grievant shall have the right to appeal the dispute to an impartial arbitrator mutually agreed upon. Such appeal must be taken within ten (10) days from the written response in Step Three. If the parties cannot agree to an arbitrator within five (5) days, an arbitrator will be requested from the American Arbitration Association.
- 4.11 The arbitrator shall have no power to alter, add to, subtract from, disregard, or modify any of the terms of this Agreement. He shall have no power to rule on any of the following: (except as these may be provided for in this Agreement)

 - (b) The placing of non-tenure unit member on a fourth year of probation.
 - (c) The failure to reassign a unit member to an extracurricular position.
 - (d) The specific content of the evaluation of a teacher.
- 4.12 The arbitrator's powers shall be limited to deciding whether the express articles or sections of this Agreement have been violated; and he shall not thereby mandate continuing obligations or policy changes beyond the remedy for the grievant or affecting conditions prior to or beyond the life of this Agreement.
- 4.13 If the question of arbitrability is raised by the Board, the question shall be determined in the first instance by the arbitrator. The arbitrator shall confer with the representatives of the Board and the grievant and hold hearings promptly and shall issue a decision not later than twenty (20) days from the close of the hearing or final submissions.
- 4.14 The arbitrator shall be required, if requested by either party, to consider any provisions of any Federal, State or Local laws or such procedures or rules of evidence as would be considered by a court of competent jurisdiction in a hearing on a similar matter.
- 4.15 The arbitrator's decision shall be in writing and shall set forth findings of facts, reasoning and conclusions on the issue submitted. The decision of the arbitrator shall be final and binding on the grievant, and on the Board.

- 4.16 The fees and expenses of the arbitrator shall be borne equally between grievant. Any other costs shall be borne by those who unilaterally incur them.
- 4.17 Grievance hearings at all stages will be held, insofar as possible during non-pupil contact hours. When such hearings and conferences are held at the option of the administrator, during school hours, any unit member whose presence is required shall be excused, with pay, for the purpose.
- 4.18 All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned. No decision in any one case shall require a retroactive wage adjustment in any other case.
- 4.19 Neither the Board nor the grievant shall be permitted to assert, at any step beyond Step Three, any grounds or evidence not previously disclosed to the other party, and no evidence or claim may be introduced in arbitration which was not introduced in the previous stages of the grievance.
- 4.20 In the event a grievance is filed so late in the school year that adherence to the time limit may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- 4.21 Nothing in this contract shall preclude the withdrawal of a grievance at any point in the process by the grievant.
- 4.22 A teacher shall not be subject to discrimination, discipline, or reprisal based upon the teacher's initiating, processing or participating in any way in the grievance procedure.

ARTICLE 5 - TEACHING CONDITIONS

If any compensatory time is granted by a building principal, it may be cumulative for one year only, but for returning teachers, may be used until February 1, of the following year, and is to be used during non-student contact hours mutually agreed upon. Compensatory time may be taken during student contact time provided that: (1) the teacher taking compensatory time has found another teacher, agreeable to the principal, who is free to take his/her class without compensatory time, (2) prior permission has been received from the principal.
- 5.1 A teacher directed planning period corresponding to the normal class period of time, during which that period is scheduled, will be scheduled daily for teachers in Union County High School and Lake Butler Middle School and forty-five (45) minutes for Lake Butler Elementary School teachers. School administrators may schedule up to 2 meetings per month to take place during the planning period. This excludes IEP and 504 meetings that require the representation of instructional personnel.
- 5.2 Two (2) pre-planning days will be available for the teachers free of any meetings, training, or interruptions to work in their classrooms. It is understood that these days may not necessarily be the last 2 days of pre-planning prior to the students' return. The calendar committee may agree to move one (1) or both of the "free" planning days to another day later in the school year

(i.e. one (1) "free" day during pre-planning and an additional one (1) "free" day in the school year or no free days during pre-planning and two "free" days to be used at an agreed up time later in the year.

- 5.3 The district has four (4) professional development days per fiscal year. These days are designed for training and are part of the teacher's contracted year. Teachers are expected to be in attendance. Thus, it is agreed that compensatory time or personal leave will only be approved for use after the staff development, training or meetings have concluded. Attendance will be documented in the teacher evaluation plan under Professional Responsibilities element #21. The only excused absence will be any teacher on temporary duty, jury duty, or emergency situations.
- 5.4 Beginning with the 2017-2018 school year, the addition of two (2) teacher workdays will be placed on the district calendar. Teachers will be able to use compensatory time or leave time to take off. This will be no cost to the district. (The district calendar will need to be amended to reflect 174 student days. This will in no way endanger the mandatory student seat hours at any of the schools. We will still have more than 10+ days to spare.)
- 5.5 Teachers shall have a duty-free, uninterrupted lunch period of not less than twenty-five (25) consecutive minutes within the regular lunch hours. In the event of an emergency and a teacher volunteers to cover lunch duty, he/she will be given double compensatory time.
- 5.6 Except in cases of emergency, two work days notice will be given prior to any faculty meeting which is planned to exceed the customary working hours.

- 5.9 Efforts will be made to keep classrooms free of unnecessary interruptions as determined by the principal.
- 5.10 In the event of an emergency, such as fire or bomb threats, teachers shall make every effort to assure that their students are safely removed from danger. Upon compliance with that, teachers shall not be required to perform duties which may endanger their health, safety or well-being.

- 5.12 Teachers will be provided a permanent teaching station when possible.
- 5.13 A conference area, private if available, shall be provided in each school.

- 5.15 When school is not in session, teachers may be given access to the building by arranging such access with the building principal.
- 5.16 Observations of a teacher's class by persons other than Board Members, administrative or supervisory personnel should be conducted by appointment after a one day or more notice. Parents or guardians may attend their child's class at any time provided that their presence does not disrupt the normal learning environment or program. The purpose of such attendance shall be made known to the teacher and building administrator prior to the visitation. Any visits subsequent to the initial visit shall occur after the parent/guardian, teacher and building administrator has developed an action plan. No parent/guardian visit shall disrupt the normal learning environment or program. Disruption of the program shall be determined by the action plan. Teachers encourage parents to volunteer at schools and participate in school activities.
