In the event of a disagreement on the issue of any specific job description/position title, PERC shall be petitioned for a ruling on the inclusion or exclusion of the position. Any person placed in a contested position shall upon a ruling by PERC for inclusion in the addition of bargaining unit receive all rights granted under this Agreement from the time of initial placement.

ARTICLE III - UNION RIGHTS

SECTION A - Implementation

1. The Board shall make available to the Union any and all public information, statistics, and records concerning the school district, which the Union may deem to be relevant to negotiations or necessary for the proper enforcement of this Agreement. The word "public", as used in this section, shall refer to any documents, reports, statistics, studies, and other such information in the form in which they are regularly kept. Materials prepared in multiple form for distribution to the public and/or media shall be provided to the Union at no cost. If additional information is requested by the Union and said material does not exist in multiple form, the Union shall pay for the actual cost of duplication of such material, not to exceed fifteen (15) cents per sheet.
2. Teachers serving on committees, councils, or other advisory groups shall be selected by the Superintendent from a list of recommended representatives elected by a majority vote of the teachers in each school, department, and/or grade level, whichever is applicable. No subject which is properly a matter of negotiations shall be considered by any teacher committee not authorized by this Agreement.
3. The principal of the school shall meet at mutually agreed times during the school year with the representatives of the Union, at the request of the Union, to discuss questions and problems as well as matters relating to the implementation of this Agreement. Such meeting shall not be construed to replace the grievance procedure for any matter normally the subject of a grievance.
4. The Union shall appear on the Board agenda at all Board meetings as a regular agenda item. Further, the Union representative shall be recognized upon request to speak on issues before the Board in the same manner as any other individual. The agenda and all supporting data will be provided on the District agenda management system.
5. Duly authorized representatives of the Union may visit schools to investigate employee complaints and/or communicate with teachers. Upon arrival at the school, Union representatives shall make their presence known to the school principal or his/her designee. If the principal does not approve the representatives' visit at that particular time, he/she will explain the reason to the representatives. Such visits shall not be carried out during pupil contact time of the involved teacher(s).
6. Whenever teachers are scheduled by the Board or its agents to participate during working hours in conferences, meetings, or in negotiations respecting the Collective Bargaining Agreement, they shall be granted the necessary time and shall suffer no loss in pay.
7. Each year upon reaching a tentative Agreement in negotiations and prior to ratification, a district meeting shall be conducted by USEP for Union representatives during the school day for the purpose of explanation of the tentative Agreement and contract ratification procedures. Each school shall be allowed to send up to two (2) representatives selected by the USEP president. The representatives attending the district meeting shall be granted one-half (1/2) day leave and shall suffer no loss in pay. The cost of substitutes shall be paid for by the Board.
8. A roster of all teachers assigned to a school or schools shall be provided to the Union representative of said school by September 10, and revised rosters shall be provided when issued. The Board and Union agree that an electronic directory of all personnel will be available on the district's network. This directory will list employees alphabetically by school or department and will be updated regularly. Employees will have the opportunity to opt out of having their personal contact information listed in the directory. The availability of this directory will replace the distribution of a paper copy of a directory distributed in prior years. Copies of this directory shall not be distributed to any outside parties for commercial or solicitation purposes, except as required by law.
9. The Union will distribute the agreement to each employee covered by this Agreement at each worksite. Following ratification, all Agreements and addenda will be available on the Board's and Union's respective websites.

10. The Board shall grant leave without pay to the Union president and up to three (3) teachers designated by the Union for the purpose of engaging in Union activities. The leaves shall count toward accruing seniority and Pasco continuous service. The teachers on leave may participate in all group fringe benefit plans provided by the Board by making their own and the Board's regular contribution to all benefits requiring such contribution. The leaves of absence shall be for a period of up to one (1) year at a time except for the president's leave which shall be for the term of office and automatically be renewed each year. At the conclusion of the leaves, the teachers shall be returned to the teaching positions held at the commencement of the leaves if such positions exist.
11. The Board will allow Union representatives time off to attend local, state, or national workshops, conferences, conventions, and other related activities for up to fifteen (15) days per school year. Further, the Board agrees that additional days may be granted if the Union reimburses the district for the full costs of the required substitute(s). 12. Professional leave shall be granted for teachers to attend statewide conferences, conventions, and/or related activities held on the statewide conference day in October and to attend Board-approved, USEP-sponsored staff development on district-wide staff development days with prior approval of the principal. Teachers will not be released on district-wide staff development days to attend USEP-sponsored staff development when it conflicts with a required staff development activity scheduled by the principal. Up to twenty-three (23) teachers shall be granted Union leave to attend the Florida Education Association (FEA) Convention or the FEA Leadership Conference. The Board shall pay the cost of the required substitutes for such teachers. Such Union leave shall be in addition to the leave days authorized under paragraph 11 of this section.

 - a. All funds collected by the Board as a result of dues deductions shall be remitted by the Board to the Union within ten (10) days of the deduction.
 - b. Dues deductions shall be continuous from year to year so long as the employee organization remains the certified bargaining agent for the unit.
 - c. Authorizations are revocable by the employees with thirty (30) days notice to both the Board and the Union.
2. The Board shall supply to the Union a list of those teachers from whom said payroll deductions have been made after each pay period.
3. The Union shall indemnify and save the Board harmless from any and all claims, demands, suits, and causes of action of any kind whatsoever arising from Board actions to comply with the provisions of this section."

SECTION C - Use of Facilities

1. The Union may use school building facilities for meetings upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. In each school, for a maximum of five (5) times per year, a meeting called by the Union for that school's teachers may be scheduled during fifteen (15) minutes of the teacher workday provided that such a schedule does not interfere with student contact time. Further, two (2) additional meetings not to exceed two (2) hours each may be held during the school day for the purpose of contract explanation and/or ratification.
2. The Union shall have the right to conduct regularly scheduled Building Representative Council meetings in school building facilities.
3. The Union may use school building facilities for countywide or area meetings, upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. The meetings are to be conducted after the teacher's working day is completed.
4. The Union may be charged the customary fee for custodial services made necessary by use described in paragraphs 2 and 3 above.
5. The Union shall have the right to use the school mailboxes and electronic network for the purpose of communicating with teachers. The electronic network shall not be used for internal or external political activities.
6. The Union shall have the right to post notices of activities and matters of Union concern on bulletin boards specifically assigned exclusively for use by the Union. Said bulletin boards shall not be less than 12 square feet in size, at least one (1) of which shall be provided in each school. Further, said bulletin boards shall be in a readily visible area.
7. The Union shall receive written notice on or before August 1 of any district orientation meeting for incoming teachers. Further, the Union shall be given a place on the agenda of any district orientation program for incoming teachers. Should a school have an orientation meeting for new teachers, the school Union representative upon request shall be given a place on the agenda of one (1) meeting selected by the principal.
8. The Board will provide the Union with a list of newly hired teachers within seven (7) days of the teachers' appointments by the Board.

END OF ARTICLE III

ARTICLE IV - FAIR PRACTICES

SECTION A

1. The Board hereby agrees that every teacher shall have the right freely to organize, join, and support the Union including, but not limited to, the displaying of union materials, buttons, pins, apparel, etc. Any such items will be consistent with school and/or district attire and rules. The Board and the Union agree that they will not directly or indirectly discourage, deprive, or coerce any teacher in the enjoyment of any rights conferred by this Agreement.
2. Further, the Board and the Union, including their agents, mutually agree not to discriminate against any teacher in regard to any of the rights, guarantees, or privileges afforded teachers under the terms of this Agreement.

SECTION B

Nothing contained herein shall be construed to deny or restrict rights to any teacher he/she may have under the Florida School Laws or other applicable laws and regulations.

END OF ARTICLE IV

ARTICLE V – SENIORITY

SECTION A

1. Seniority shall be the length of continuous service of a teacher in the school system. Continuous service shall be determined in reference to unbroken service in the district with each year in which a teacher has been under contract for at least one (1) day more than one-half (1/2) the normal contract length for the position counted as one (1) year of service with the following exception: If a teacher takes ten (10) or more successive days of unpaid leave, these days shall be deducted from the contract length, and if this deduction reduces the contract length to less than one (1) day more than one-half (1/2) the normal contract length for the position, the year shall not be counted.
2. If it becomes necessary to establish precedence among teachers with the same seniority, the beginning date of employment shall be used. Leave duly authorized and granted in accordance with provisions of this Agreement shall not constitute a break in service.

SECTION B

The Monday following each pay date, the Board shall provide to the Union an electronic file containing an alphabetical list of the names of all teachers employed in the district. Said list shall also contain demographics, USEP dues, and total number of years of continuous service in the district as determined by the District School Board of Pasco County. Teacher seniority lists will be posted in each school when notification is given that an involuntary transfer from that school is planned. The Union shall provide the district with a secure FTP site to transmit the data.

END OF ARTICLE V

ARTICLE VI - GRIEVANCE PROCEDURE

SECTION A - Definitions

1. A grievance is a complaint by a teacher or by a group of teachers that there has been a violation, misinterpretation, or misapplication of this Agreement and shall be subject to settlement under all provisions of this article.
2. When a complaint arises alleging that:
 - (a) a policy or practice is improper or unfair; or
 - (b) there has been a deviation from a misinterpretation or misapplication of a practice or policy; or
 - (c) there has been unfair or inequitable treatment by reason of an act or condition contrary to existing policy or practice. Such complaint shall be subject to settlement under all provisions of this article excluding Step Five.

SECTION B - General Application

1. With regard to items of the Agreement covering Union rights, the Union shall have the right to present, process, or appeal a grievance at any level in its own behalf. This means that the Union has the right to file grievances in its own name when the grievance alleges a violation, misinterpretation, or misapplication of this Agreement.
2. The Union has the right to represent the teacher at any level of the procedure. The teacher shall have the right to be represented by legal counsel or any person(s) he/she deems necessary at any step of this procedure.
3. A grievance shall be first filed at the level where the alleged action(s) occurred that led to the filing of the complaint and processed in accordance with all subsequent steps thereafter as outlined in this article.
4. No decision or adjustment of a grievance shall be contrary to any provision of this Agreement existing between the parties hereto.
5. The Union shall have the right to be present at all meetings after Step One regarding a grievance regardless of the party filing the grievance.

6. Failure to communicate the decision of a grievance at any step of this procedure within the specified time limit shall permit the Union to submit an appeal at the next step of this procedure. However, time limits, as specified, may be extended at any time by mutual agreement in writing.
7. In the event that a grievance is filed at such time that it cannot be processed through all of the steps in the grievance procedure by the end of the school year, the time limits set forth herein shall be reduced to the extent possible so that Steps One to Three of the procedure may be completed prior to the end of the school year.
8. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation. No entry of any kind concerning a teacher's participation in a grievance shall be entered into his/her personnel file.
9. All parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.
10. Whenever meetings for resolving grievances are scheduled during the school day, the Union representative and/or grievant will be allotted released time without loss of pay, and a substitute shall be provided by the Board.
11. No member of the bargaining unit shall be represented by another employee organization.

SECTION C - Procedure

Step One: Any teacher who feels that he/she may have a grievance may first discuss the grievance with the principal, either directly or accompanied by the Union representative, with the object of solving the matter informally.

Step Two: In the event that the matter is not resolved informally, the formal grievance stated in writing may be submitted to the immediate supervisor at the level of filing, the Union, and the Superintendent, with one copy for the grievant. A formal grievance shall be filed as soon as possible after the action giving rise to the grievance but no later than twenty (20) days after the grievant knew or could reasonably have been expected to know of the occurrence giving rise to the grievance.

- a) Within five (5) days after the receipt of the formal grievance, the principal shall hold a formal hearing on the grievance.
- b) The grievant and the Union representative shall be given at least one (1) day's written notice of the hearing.
- c) Within five (5) days after the hearing, the principal shall communicate his/her decision in writing together with supporting reasons.
- d) The principal shall furnish one (1) copy to each grievant, one (1) copy to the Union representative and one (1) copy to the Union president.

Step Three: If the grievance is not resolved satisfactorily, the grievant and/or Union may appeal within five (5) days to the Superintendent of Schools. The appeal shall be in writing and shall include a copy of the original appeal and the decision arrived at in Step Two.

- a) Within ten (10) days after the receipt of the appeal, the Superintendent shall hold a hearing on the grievance.
- b) The grievant, the Union representative, and the principal shall be given at least two (2) days written notice of the hearing. Said notice shall contain the time and place of such hearing.
- c) The grievant shall be present at the hearing unless there is mutual agreement that no facts are in dispute and that the sole question before the Superintendent is one of interpretation of a provision of the Agreement between the parties thereof or of what is established policy or practice.
- d) Within five (5) days after the hearing on the appeal, the Superintendent shall communicate his/her decision in writing together with supporting reasons. The Superintendent shall furnish one (1) copy to each grievant, one (1) copy to the Union representative and one (1) copy to the Union president.

Step Four: If the grievance is not resolved satisfactorily, the Union may appeal the grievance within five (5) days to the Board. The appeal shall be in writing and shall include a copy of the original appeal and the decision at Steps Two and Three. The Union may waive this step for any grievance filed. If this step is waived, the grievance may be appealed directly to Step Five upon mutual agreement of the Board and the Union if no satisfactory resolution has been reached at Step Three.

- a) Within fifteen (15) days after receipt of the appeal, the Board shall hold a hearing.
- b) The grievant, the Union representative or representatives, the principal, the Superintendent, and the president of the Union shall be given written notice at least two (2) days prior to the hearing.
- c) Within fifteen (15) days after the hearing on the appeal, the Board shall communicate its decision in writing together with its supporting reasons. The Board shall furnish one (1) copy to each grievant, one (1) copy to the Union representative and one (1) copy to the Union president.

Step Five: If a grievance involving the application or interpretation of this Agreement is not resolved satisfactorily at Step Four, the grievant, through the Union, may appeal within five (5) days directly to the American Arbitration Association for binding arbitration.

- a) The arbitrator shall be selected through procedures and governed by the rules established by the American Arbitration Association.
- b) The decision and award of the arbitrator shall be in writing and shall set forth opinions and conclusions on the issues submitted to him/her at the time of the hearing.
- c) The decision of the arbitrator shall be final and binding.

- d) The cost of filing for arbitration through the American Arbitration Association, the fee and expenses of the arbitrator and any court reporter shall be borne by the losing party. Any other costs connected with arbitration shall be borne by the party incurring the costs.
- e) Nothing in the foregoing shall be construed to empower the arbitrator to make any decisions amending, changing, subtracting from, or adding to the provisions of this Agreement.

END OF ARTICLE VI

- a. Any teacher new to the district or returning, after a break in service employed in a non-continuous position, will be informed that the district owes no further obligation to him/her should his/her position be eliminated. - 5. Any teacher required to attend a meeting called by the administration for the purpose of a reprimand which will become part of the teacher's record or for action leading to suspension or for an investigatory interview shall have the right of Union representation at such a meeting. If during a meeting as described above, the teacher believes that the discussion could lead to disciplinary action, the teacher may ask that the meeting be delayed or rescheduled until Union representation can be provided. This section shall not be interpreted to apply to conferences relating to observation or evaluation of instruction.
- 6. The district supports the concept of "progressive discipline" and encourages its application when appropriate.

7. A teacher will be advised immediately if the Board has initiated or is cooperating with the Education Practices Commission in an investigation of said teacher.

SECTION D - Promotional Vacancies

1. Whenever a promotional vacancy shall occur in a professional position in the school district for which certification is required, the Board shall publicize the same by giving written notice to the Union and by providing for appropriate posting in all schools.
2. A teacher who desires to apply for any such vacancy shall file his/her application with the District Office.
3. When in judgment of the Board qualifications and ability are relatively equal, preference in filling vacancies within the bargaining unit shall be given to the employee with the greatest length of service in the school district.
4. The Board agrees to give full consideration to the professional background and attainments of applicants for administrative openings.

SECTION E - Transfers and Reassignments

1. All job advertisements/vacancy notices shall be available on the District's website.
2. Teachers who desire a change in grade or subject assignment or who desire to transfer to another building or position shall file a written statement of such desire on the appropriate form. One (1) copy of the form shall be filed with the District Office and one (1) copy may be filed with the Union if the teacher so desires. Such request shall be reviewed by the principals at least once each year and will remain valid for a period of twelve (12) months following date of application.
3. Teachers who desire to transfer to a specific position(s) in another school(s) shall make their interest known to the receiving principal within the advertised period.
4. No assignment of teachers to a specific position in the school district shall be made until all pending requests for reassignment or transfer to that position have been given due consideration. District seniority shall be given due consideration in assignments for voluntary transfers.
5. Teachers who have requested transfers or reassignments shall be notified in writing of the administration's action on said transfer or reassignment as soon as possible.

SECTION F - Involuntary Transfers

1. Staff Reduction
 - a) Involuntary transfers may occur due to staff reduction in a department and/or grade level within a school or the closing of an existing facility. The Board shall notify the Union within ten (10) days after the determination that involuntary transfers must occur. - d) The recommendation of the Superintendent and notice of transfer will be placed in the instructional bargaining unit member's official file, along with any conference report as described above concerning an instructional bargaining unit member to be used for official purposes in regard to a transfer, which report will be placed in the instructional bargaining unit member's official file according to provisions of Article VII, Section Q of the Instructional Master Contract.
- e) None of the above shall apply to, restrict, or interfere with (1) investigation of a complaint to an outside agency or in the criminal justice system, or (2) the Superintendent's discretion and authority, as provided under Section 1012.27, Florida Statutes, and Florida Administrative Code Rule 6B 4.4005 to transfer any employee during an emergency and report the transfer to the School Board at the next regular meeting, or (3) involuntary transfers as provided for in Article VII, Section F, subsections 1, 2 and 5 of the Instructional Master Contract, and (4) none of the above shall restrict or interfere with the Superintendent's authority as provided under Section 1012.27, Florida Statutes, and Florida Administrative Code Rule 6B-4.005 to recommend transfer of instructional bargaining unit members or the School Board's authority as provided in Section 1012.27, Florida Statutes, to act on the Superintendent's recommendations.

The reason for such transfer shall be discussed with the teacher and, upon the teacher's request, with a Union representative prior to the transfer. In the event a teacher cannot be reached after following this procedure a second time, the Board shall be released from any future rehire obligations.

Placement options, however, are limited by program eligibility requirements, School Board policies, and state and federal laws. The request to appeal to the Superintendent must be in writing and filed within three (3) workdays of notification to the teacher of the committee's decision.

- b. The reason for such request shall be stated in the application for leave.

7. Family and Medical Leave Act (FMLA)

- a. Family Medical Leave begins as soon as an individual discloses a qualifying event, at which time the Board will grant an eligible employee (as defined in Part C of this section) up to a total of twelve weeks of leave in a twelve-month period for one or more of the following reasons:
 - 1. the birth of a child of the employee and care following the child's birth,
 - 2. the adoption of a child by the employee including the events and process leading to the adoption, and care following the adoption,
 - 3. the placement and/or care of the child in the foster care of the employee,
 - 4. the care of a child, spouse, or parent of the employee who has a serious health condition (as defined in Part A(5): When an employee takes FMLA leave for the care of a child, spouse, or parent of the employee which results in the death of such child, spouse, or parent of the employee, the Board will provide unpaid leave and benefits for a maximum of five calendar days from the date of the death of such child, spouse, or parent of the employee. For the purposes of this paragraph: (a) the term "spouse" means a husband or wife as defined or recognized under state law for purposes of marriage; (b) the term "parent" means a biological parent or an individual who stands or stood in loco parentis to an employee when the employee was a child -- this term does not include parents "in law"; (c) the terms "son" or "daughter" mean a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.
 - 5. the treatment of a serious health condition which prevents the employee from performing his/her job. A "serious health condition" means an illness, injury, impairment or physical or mental condition that involves:
 - a. any period of incapacity or treatment in connection with or consequent to in-patient care (i.e., an overnight stay in a hospital, hospice or residential medical care facility);
 - b. any period of incapacity requiring absence from work, school, or other regular daily activities, of more than three calendar days, that also involves continuing treatment by (or under the supervision of) a healthcare provider; or
 - c. continuing treatment by (or under the supervision of) a healthcare provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days; or for prenatal care.Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions" unless inpatient hospital care is required.
- b. The twelve-month period for entitlement under this section will be measured from July 1 through June 30.
- c. In order to be eligible, the employee must have been employed by the Board for at least one year, and the employee must actually have received pay for 1,250 or more hours from the Board during the twelve-month period immediately preceding the unpaid leave. Holidays, earned sick leave, and vacation time for which the employee has been paid but has not worked shall be included in the calculation above. Sick Leave Bank, Workers' Compensation, suspension with pay, and sabbatical leave time will not be counted.
- d. Leave, except for certain exceptions described in Part (e) for instructional employees, commences upon the absence of the employee from work and ends on the day and time the employee reports back to work.
- e. Instructional employees are subject to additional rules and procedures with regard to leave periods associated with Family and Medical Leave. For the purposes of Family and Medical Leave, "instructional employees" are defined as those employees who are included in the instructional bargaining unit and whose principal function is to teach and instruct students in a class, a small group, or an individual setting.

If an eligible instructional employee requests intermittent or reduced leave which is based upon planned medical treatment and this leave would be for more than 20% of the total number of working days over the period the leave would extend, the Board may require the employee to choose either to:

1. take leave for periods of a particular duration, not greater than the duration of the planned treatment; or
2. transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than the employee's regular position.

Intermittent or reduced leave under this provision will begin no sooner than the first day where leave is granted and end no later than the last day where leave is granted and will include all dates granted between the beginning and ending dates.

If an instructional employee takes leave near the end of a semester, the Board may require the employee to stay out on leave until the end of the semester according to the following guidelines:

1. ***Leave beginning more than five weeks before the end of the semester.*** The Board may require the instructional employee to continue taking leave until the end of the semester if:
 - a. the leave will last at least three weeks, and
 - b. the employee would return to work during the three week period before the end of the semester.
2. ***Leave beginning less than five weeks before the end of the semester.*** If an employee begins leave for a purpose other than the employee's own serious health condition during the five week period before the end of the semester, the Board may require the instructional employee to continue taking leave until the end of the semester if:
 - a. the leave will last more than two weeks, and
 - b. the employee will return to work during the two-week period before the end of the semester.
3. ***Leave beginning with less than three weeks before the end of the semester.*** If an employee begins leave for a purpose other than the employee's own serious health condition during the three week period before the end of the semester, and the leave will last more than five working days, the Board may require the employee to continue taking leave until the end of the semester.

All leave taken under Part (e) will count against the employee's twelve-week entitlement. If the instructional employee's twelve weeks of leave entitlement under the FMLA run out before the leave period is completed, the Board will continue health benefits, restore the employee to his/her previous position unless the employee's position has been affected by reduction in force and/or layoff, and provide other FMLA entitlement throughout the whole period of the leave.

- f. Leave for the birth, adoption or placement of a child with an employee as described in Subparagraphs a-1, a-2, and a-3, must conclude within one year from the date of the birth, adoption or placement of the child.
- g. The leave mentioned in this section is subject to the following restrictions and privileges:
 1. An employee will use all available unused earned paid sick time concurrently with FMLA unless he/she elects to go unpaid during the time of FMLA.
 2. The decision to go unpaid during the time of FMLA will remain in effect for the full duration of the FMLA leave, is non-revokable, and must be declared within five days of receiving notification that the FMLA leave is approved.
 3. The employee will be restored to his/her former position unless the employee's position has been affected by reduction in force and/or layoff.
 4. The Board shall require materials documenting the reason for the leave before granting a leave of absence under this section.
 5. It is the responsibility of the employee to obtain the necessary documentation and to furnish the documentation to the Board.
 6. The Board may request verification of a medical condition for which leave has been granted under this section at any reasonable interval, but not more often than once every thirty days, unless:
 - a. the employee requests an extension of leave;
 - b. circumstances described by the original documentation have changed significantly (i.e., the duration of the illness, the nature of the illness, complications); or
 - c. the employer receives information that casts doubt upon the continuing validity of the documentation.
 7. If the Board pays the employee contributions missed by the employee while on leave, the employee will be required to reimburse the Board for delinquent payments (on a payroll deduction schedule) upon return from leave. The employee will be required to sign a written statement at the beginning of the leave period authorizing the payroll deduction for delinquent payments. If an employee fails to return to work for the Board after FMLA leave, the Board shall take necessary steps to recover its share of the health benefit premium payments made on the employee's behalf during a period of unpaid FMLA leave unless the employee's position has been affected by reduction in force and/or layoff.
 8. An employee may continue coverage by continuing to pay the employee's portion of the premiums, including dependent coverage, while on leave.
 9. The employee must notify the Board as soon as practicable once the employee knows that a leave will be needed. For a foreseeable leave, such as for birth, adoption or planned medical treatment, the employee must provide at least 30 days notice to the Board. In all cases, the employee must furnish a request to the Board on a form provided by the Board.
 10. Prior to the employee's return to work from an employee disability, the employee shall submit medical certification of the employee's fitness to return to work.
 11. The Board retains the right to implement reasonable rules and regulations with regard to the use of leaves of absence within the requirements of the FMLA. This includes but is not limited to requiring a second opinion, at the Board's discretion, from

a Board-paid doctor with regard to a medical disability, and the use of forms for requests for leave, physician documentation and fitness to return to work.

12. In the event that the Board exercises its right to a second medical opinion and the opinion conflicts with the first doctor's opinion in the medical certification, then a third opinion may be required by a Board-paid physician mutually agreed upon by the Board and employee. This third opinion will be final and binding upon the Board and the employee.
- h. Intermittent Leave or Reduced Leave -- An eligible employee who is entitled to a twelve-week leave under the provisions of this section may take that leave on an intermittent or reduced leave schedule in certain cases. An intermittent leave schedule is one in which the employee may take the allowable leave intermittently, or in blocks of days at a time, as needed. A reduced leave schedule is one in which the employee's daily or weekly hours are reduced, as needed. Leave will be granted intermittently or on a reduced leave basis in the case of the serious health condition of the employee or of the child, spouse or parent of the employee, provided that it is medically necessary and that a certification from a physician is obtained. The amount of Family and Medical Leave used where an employee takes leave intermittently or on a reduced leave schedule will be determined in accordance with the applicable regulations of the Family and Medical Leave Act of 1993, currently §825.205 of the Interim Regulations.
- i. Effect of Leave on Board-Paid Benefits -- During the period of leave governed by this section, the Board will pay the portion of the insurance premium which it normally paid prior to the leave, such as major medical, surgical, dental, vision, life, and flexible benefits.

In addition, the Board may grant additional leave for such term as deemed appropriate.
 - b. During the course of absences under this section, the teacher shall receive an amount not to exceed his/her normal compensation and shall be entitled to continue full benefits for the school year in which the injury occurred. 2. Any teacher who has any claim for compensation while absent under this section shall file a claim in the manner prescribed in Florida Statute 1012.63(2) by the end of each month during which such absence has occurred. The Board shall approve such claims and

authorize the payment thereof provided that the Board shall satisfy itself that the claim correctly states the facts and that such claim is entitled to payment in accordance with the provisions of this section.

SECTION C – Assault, Battery, Threat, and Disability

1. In an effort to minimize the potential incidents of assault and/or battery in the educational setting, teachers will be notified by the principal, or the principal's designee, when a student with a known history of committing assault and/or battery is placed in his/her class.
2. If requested, a teacher shall be provided with training and other assistance to improve skills in classroom management, violence prevention, conflict resolution and any other related areas per Florida Statute 1003.32.

Nothing contained in this section shall prohibit a teacher from contacting the proper legal authorities and filing charges against a student or person who assaulted and/or battered the teacher. No punitive action shall be taken by any administrator against any teacher who exercises his/her legal rights under this section. In addition, any threat of personal injury or property damage made by a student toward a teacher shall be assessed through the district's Violence Intervention Procedures for Elementary or Secondary Schools to determine the credibility of such threat. As part of the threat assessment procedures, if a teacher is the targeted victim or witness, he/she would be interviewed and input obtained regarding context of the threat. Upon completion of the threat assessment process, one of the Threat Assessment Team members will share the resolution of the threat assessment and "need-to-know" components of the safety plan with the involved teacher. In addition, the student shall be removed from the teacher's class and shall not have direct contact with the teachers during school hours or on school property until the threat assessment is concluded. If the threat is made by a person not under the jurisdiction of the school board, the teacher will not be required to meet with that person until the matter has been investigated and documented by the principal and the teacher has been notified of the results of that investigation. The teacher has the right to have an administrator present at any future meetings with the person making the threat.
4. Any student found to have committed assault or battery against a teacher will be subjected to disciplinary action as provided in the Code of Student Conduct. The Board and the Union understand that, in certain situations, the IDEA, 20 U.S.C. § 1401. *et seq.*, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act. 42 U.S.C. § 1983, and any and all related federal, state and local laws and regulations will control the rights and remedies available against students with disabilities.

No claim covered under other provisions of this Agreement shall be paid from this account.

If any portion of this account is not expended in any year of this Agreement, an amount equal to the unexpended sum shall be budgeted in addition to the \$2000.00 for the following year.

If the claim is for less than the deductible amount specified or the clothing or personal property is not insured, the Board will pay an amount equal to the current value of the property not to exceed \$500.

3. To be eligible for reimbursement as described in paragraph 1, the teacher must report the damage to the worksite supervisor as soon as possible and complete the Comprehensive Accident-Injury/Loss form and submit it to the worksite supervisor.

The reimbursement of damaged or vandalized personal property (other than motor vehicle) is limited to those items that the teacher uses to perform his/her job and/or duty responsibilities.

In the event the claim is for vandalism to the teacher's personal vehicle, a copy of his/her automobile insurance policy declaration page and an estimate for repair must be included with the Comprehensive Accident-Injury/Loss Form.

Payment of the claim is subject to the approval by USEP President and Director of Employee Relations.

An employee can void his/her DROP participation at the DROP termination date, re-enroll in FRS and continue in his/her current position in the district, by making such request in writing to the Board at least thirty (30) calendar days prior to his/her original DROP termination date. An employee may resign his/her employment with the Board and terminate his/her participation in DROP prior to the original DROP termination date by submitting an amended resignation to the Board.
2. Employees who elect to enter DROP and elect to receive a lump-sum payment of accrued vacation (annual) leave earned in accordance with Board policy upon beginning participation in DROP, shall have said lump-sum payment paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits. - Fund Withdrawal: Employees under fifty-five (55) years of age.
9. All participating employees who are under fifty-five (55) years of age at the time of termination and choose at the time of termination to take a cash distribution in the amount of one hundred percent (100%) of their respective balance from the Board approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan and are assessed a ten percent (10%) withdrawal penalty, shall be reimbursed 2.35% of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the ten percent (10%) withdrawal penalty and the current Social Security and Medicare combined tax contribution rate of 7.65%. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the Board and Union agree to renegotiate the reimbursement rate. If a fee is charged to process the IRS 1099 form, the Board will reimburse these same employees the one-time administrative fee.

Upon separation of service or a June 30th payment of accumulated sick leave and maximizing the 401(a) Qualified Retirement Plan contribution, any remaining terminal pay for accrued sick leave or vacation leave, subject to Board and State limitations, will be deposited in an Employer Paid 403(b) Plan. - b. Effective July 1, 2022, all teachers holding professional licensure required for his/her position with the District shall be given

year-for-year experience on the District's New Hire Placement Schedule for each year of full-time experience where such licensure was required and work related to his/her position with the District was performed.

- c. Any teacher employed in Pasco County whose teaching was interrupted due to active military service shall be granted experience for a maximum of four (4) years as if he/she had been teaching within the District.
- d. A Teacher-Headstart-Noncertified or Teacher-Prekindergarten-Noncertified shall be granted one (1) year for every two (2) years of experience to a maximum of seven (7) years credit when he/she earns a bachelor's degree and is eligible to receive a state teaching certificate. Such experience must be earned while serving in such capacity and within the district.
- e. In no event shall any experience credited to any teacher currently employed be diminished by the provisions of the above paragraphs.
- f. To receive experience credit, a teacher must submit evidence of such experience, according to the procedures established by the Office for Human Resources and Educator Quality. The time-period to submit such documentation shall not be less than ninety (90) days from the date of hire.

4. Advanced Degree/18 Hour Credit

Instructional personnel who wish to receive additional compensation for an advanced degree or eighteen (18) semester hours successfully completed after the conferral date of a Bachelor's or Master's degree, must submit to the Office for Human Resources and Educator Quality according to procedures established by the department:

- one (1) set of official transcripts,
- the appropriate form,
- and in the case of a Specialist of Education degree, verification of being awarded the Specialist of Education degree and/or unconditional admission to candidacy for the Doctorate degree.

A representative from the Office for Human Resources and Educator Quality will acknowledge receipt of the form and transcripts to the applying employee.

Instructional personnel will receive the appropriate salary supplement once the advanced degree or additional semester hours and applicable certification are verified. The supplement for advanced degrees shall be retroactive to the first pay period following the date of eligibility according to the requirements listed below, or the beginning of the school year in which the supporting documentation is submitted, whichever is later, and an adjustment will be made in subsequent paychecks.

Instructional personnel who successfully complete eighteen (18) hours of credit after the conferral date of their bachelor's or master's degree will receive a salary supplement retroactive to the first pay period following the term during which the last course which establishes eligibility is completed, or the beginning of the school year in which the supporting documentation is submitted, whichever is later.

Credit hours under this agreement refer to semester hours. Quarter hours will be equated to semester hours by making a quarter hour equal to two-thirds (2/3) of a semester hour.

It is understood that it is the responsibility of the employee to initiate the above action. A representative from the Office for Human Resources and Educator Quality will acknowledge receipt of the form and transcripts to the applying employee.

Retroactive action applies during the school year in which the form is submitted. For this purpose, a form accompanied with transcripts must be submitted to the Office for Human Resources and Educator Quality no later than June 30. In case of extenuating circumstances, the June 30 deadline may be extended at the discretion of the Superintendent or his/her designee.

Advanced degree supplements will be paid at the following rates, which are based upon a 196 day school year:

- a) Bachelors +18 - \$800 total
- b) Masters Degree - \$2,700 total
- c) Masters + 18 - \$3,400 total
- d) Education Specialist - \$4,400 total

7. Termination Pay Dates

A teacher who terminates his/her employment during the school year shall receive all pay owed him/her within twenty (20) days of the termination date except that as stipulated in Article X, Section G 1g) of this Agreement.

8. Daily Rate Calculation

A teacher's daily rate of pay shall be determined by the following formula: (total salary for days contracted as determined by placement on the instructional salary range/total days contracted) + (required and advanced degree supplements/days contracted).

A required supplement is that which is attached to a regular full-time teaching position requiring an eight (8) hour workday. All other supplements are excluded from the above formula. Any other supplement which a teacher receives is excluded from the above calculation.

9. Hourly Rate Calculation

When it is necessary that a teacher be paid his/her hourly rate, such rate will be calculated using the following formula (total salary as determined by placement on the instructional salary range, exclusive of all supplements except as otherwise noted, divided by the number of contracted days, divided by number of contracted hours.) A typical teacher contract is for 196 days, 7.5 hours per day.

ADDENDUM B

SUPPLEMENT SCHEDULE

1. Any teacher assigned to a supplemented position shall receive full supplemental pay for each supplemented position to which he/she is assigned. To provide teachers an opportunity to apply for vacant supplemented positions shown in this addendum as Department/Grade Level Chairperson/Team Coordinator/PLC Facilitator, principals will post such positions at the respective school when they become available, and interested teachers may submit their names. These positions normally include department heads, grade chairpersons, team coordinators, learning community leaders, team leaders, etc.
2. Supplementary pay shall be prorated over the period of time during which the activity or responsibility is scheduled to be performed unless otherwise stipulated.
3. Class and/or club sponsors will not be held responsible for clerical tasks related to sponsorship(s) with the exception of voluntary activities such as car washes and bake sales.
4. When assigning supplemented coaching positions, teachers within the bargaining unit or those newly hired teachers who will be in the bargaining unit who have the training or experience necessary to coach a specific sport shall be given priority over all other applicants for that specific sport.
5. Whenever a vacancy in a supplemented coaching position occurs, the Board shall publicize the vacancy to the Union and provide for appropriate posting in the schools. Each coaching vacancy advertisement shall specify the time of day that the applicant must be available in order to coach the sport.

6. Teacher Mentor Program

The Teacher Mentor Program will provide support services to all new teachers to the district. The program shall have “Basic Teacher Mentors” who serve all instructional staff other than ESE teachers and “ESE Teacher Mentors” who serve all ESE teachers. Teacher Mentors will be required to have completed Clinical Education. In addition to serving new ESE teachers to the district, the ESE Teacher Mentors shall serve the following:

- a. Teachers who are teaching ESE for the first time and who have previously taught in another program in the district;
- b. ESE teachers who are out-of-field for the first two (2) years; and,
- c. Long-Term Substitute Teachers who are assigned ESE positions.

ESE teachers, who are not new ESE teachers to the district, will be served only if the district receives sufficient grant funding to support the service. For the purpose of contract clarity, “Basic Teacher Mentor” and “ESE Teacher Mentor” will be referred to as Teacher Mentor. No Basic Teacher Mentor shall be assigned more than two (2) beginning teachers and no ESE Teacher Mentor shall be assigned more than four (4) eligible ESE teachers. The second, third, and fourth mentor teacher assignments must be by mutual agreement between the Teacher Mentor, the teacher served, and the administration.

The responsibility of the Teacher Mentor will be construed to begin on the first date of employment for the teacher being served.

Payment

Each school year the Teacher Mentor will receive the amount specified in the Academic Supplement Schedule for each teacher assigned. The Teacher Mentor Program supplement will be prorated over the time period during which the responsibility is scheduled, not to exceed more than 196 days in any one school year, and paid at the end of the semester. In a case where a teacher being served resigns before completing the program, the Teacher Mentor supplement will be terminated effective the last day of employment for the teacher being served.

7. Career and Technical Student Organizations (CTSOs) – High School and Middle School

Job Preparatory Career Training will receive an annual supplement for sponsoring co-curricular organizations providing:

- An active CTSO is established that is identified in the curriculum frameworks for the content areas (active is defined as meeting at least monthly after school hours).
- The CTSO meets minimum requirements for membership numbers as established by the district and/or state organization, if applicable.
- Documentation is provided for student participation in applicable district, regional, state, and/or national competitions.
- Documentation is provided for participation in student leadership development workshops/activities.
- Sponsors are expected to attend all competitions.

Agriculture teacher supplements already specify CTSO participation so they will not receive an additional supplement. If minimum numbers of students do not join the CTSOs, it is understood that the CTSO requirement in the curriculum frameworks cannot be met.

ADDENDUM D
FEDERAL DRUG AND ALCOHOL TESTING PROGRAM FOR HOLDERS OF FLORIDA
CLASS A OR B COMMERCIAL DRIVERS LICENSES

The Board and Union recognize that employees who are required to hold a Class A or Class B Commercial Driver License (CDL) as a condition of employment (hereinafter referred to as covered employees) must comply with the Omnibus Transportation Employee Testing Act of 1991 (OTETA), regulations of the Federal Highway Administration contained in 49 CFR Parts 40 and 382, et. al. and Section 1012.45, Florida Statutes.

Notification

The Board shall provide all covered employees with educational materials that explain the requirements of the Program and the Board's policies with respect to meeting these requirements. Each employee who has received a copy of these materials shall be required to sign a statement certifying that he/she has received a copy of these materials.

Testing

Testing of covered employees shall be done in accordance with applicable federal and state law. The employee shall be paid his/her regular hourly rate for the time involved for such testing beyond the employee's normal working hours unless such testing results in an employee working beyond forty (40) hours that week. In such cases, the employee shall be compensated at 1-1/2 times his/her hourly rate. Refusal to report for testing when notified to do so shall be considered a positive test.

Positive Test Results for Alcohol or Prohibited Substances

If a covered employee tests .02 or .039 for breath alcohol, he/she shall be removed from performing the duties of his/her safety-sensitive position for twenty-four (24) hours. If the employee has accrued sick or vacation leave, he/she shall be entitled to use such leave during this period. A conference may be held with the employee in an attempt to determine why he/she tested .02 to .039 so as to prevent a recurrence.

If an employee tests .04 or higher for breath alcohol or tests positive for any prohibited substance, he/she shall be removed from performing the duties of his/her safety-sensitive position, and he/she shall be referred to a substance abuse professional. In addition, there will be other employment consequences which may include termination. In the event that the primary specimen confirms the presence of prohibited substances, and the employee believes there has been an error in the analysis, he/she may request that the split specimen be tested. The cost of this second analysis shall be the responsibility of the employee. However, should this analysis produce a negative result, the Board shall reimburse the employee for the cost.

Reasonable Suspicion

When a supervisor believes that a covered employee is in violation of OTETA regulations, he/she shall confer with the district OTETA administrator or designee who shall decide whether to proceed further. If the OTETA administrator or designee meets with the employee for the purpose of notifying him/her that reasonable suspicion testing will be required, he/she shall do so in conjunction with a trained supervisor. A Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving an alcohol test, the meeting will not be delayed if the Union representative is unable to be present at the specified time for the meeting to begin. During the meeting, the OTETA administrator will cite the indicators which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.

Confidentiality

Confidentiality required by OTETA regulations will be observed, and no voluntary report of a test required by these regulations shall be made to the Florida Department of Highway Safety and Motor Vehicles.

ADDENDUM E
CONTRACT WAIVER REQUEST

1. In an effort to provide an educational environment that enhances student learning, schools may explore new educational programs, instructional strategies, organizational strategies, organizational patterns, and/or other learning-related functions. Such endeavors may require some part of the Instructional Master Contract language to be waived.
2. A contract waiver must be approved whenever a program is being proposed that would alter any provisions of the Instructional Master Contract. However, the Board and Union will consider a waiver for only the following sections in Article VII:
 - a. Section L - School Day,
 - b. Section N - Non-Teaching Duties,
 - c. Section S - Teaching Assignments and Duties, or
 - d. Section V - Miscellaneous.
3. Should a school pursue such a waiver, the procedures as stipulated below shall be followed.

Notification Requirements:

- a. As soon as possible but no later than March 1, the principal must submit the Notification Form (Appendix C) to the USEP President, the Director of Employee Relations, and the faculty that a study is being undertaken of a program or activity that, if implemented, may alter language in the Instructional Master Contract as specified in paragraph two (2) above.

Approval Process

1. The Principal, Director of Employee Relations, and the President of USEP shall mutually determine and agree on the teachers whose contractual rights will be affected by the proposed contract waiver and, therefore, eligible to vote.
 2. A secret ballot will be held under the supervision of the principal of the school and the Director of Employee Relations/designee, and President of USEP/designee. The principal, President of USEP and Director of Employee Relations shall agree to the date, time, method of the vote, and procedures for absentee ballots. The affected teachers in the bargaining unit, the President of USEP, and the Director of Employee Relations will be given three (3) days' advance notice of the voting date. A ballot must be given to each teacher eligible to vote and each teacher shall be given the opportunity to cast such ballot. Approval by sixty-seven percent (67%) of the teachers eligible to vote is required. A valid vote shall not be rescinded.
 3. The final proposal of the program/project shall be presented to all bargaining unit members at the school and fully explained by the principal. The teachers in the bargaining unit, the President of USEP, and the Director of Employee Relations will be given five (5) days' notice of such meeting. At least five (5) days prior to the explanatory meeting, the principal shall provide teachers affected by the proposed contract language to be waived, a written copy of the proposed plan which describes the proposed modifications to terms and conditions of employment for those teachers affected.
 4. The Principal shall submit the Waiver Request Approval Form (Appendix D) to the Director of Employee Relations and the President of USEP if sixty-seven percent (67%) of the ballots in two (2) above are in favor of the waiver.
 5. Any challenge of the voting process, procedure, or results will be referred to the President of USEP and the Director of Employee Relations for a resolution.
 6. A "No" vote will require waiting until the next school year before starting the waiver process again.
 7. Upon approval by the USEP President and the Director of the Department of Employee Relations, contract waivers may be granted for up to one (1) year and shall be non-precedent setting.
4. To renew a Contract Waiver, the school must follow the steps in number three (3) the Notification Process and Approval Process above.
 5. The Waiver Request must be submitted to the Director of the Department of Employee Relations and the President of USEP before May 1.
 6. If specified in the Waiver Request, an evaluation of the program shall be conducted to continue the waiver for its duration.

7. For vacancies that will be in effect during the Contract Waiver period, notification and explanation of a Contract Waiver that is in effect must be included in all job postings and interviews.
8. No programs shall exist which are not in compliance with contract language or which have not been approved by this process.

School Utilization of Expanded Homeroom/Skinny Periods

The Board and the Union agree to the following procedures when a secondary school wishes to implement an expanded homeroom or “skinny” period that does not alter any existing provision of the Instructional Master Contract:

Applicability

An expanded homeroom or “skinny” period is an additional period of assigned student contact beyond what has been historically expected of teachers at the school, requiring additional time each week planning for instruction, delivering instruction, or assessing student work. It does not include a teacher’s performance of traditional homeroom duties like the taking of attendance, facilitation of announcements, supervision of students during club activities, activation of a video or podcast, supervision of sustained silent reading, performance of periodic student scheduling or graduation planning activity, or administering of other infrequently required incidental student activities.

Notification and Implement Procedures

1. As soon as possible, but not later than March 1, the Principal must submit a written plan for the implementation of the expanded homeroom or “skinny” period to the Director of Employee Relations and the USEP President. The written plan must include a description of how the expanded homeroom or skinny period will provide learning related opportunities for students, how instructional staff members will have input into the development of the homeroom or “skinny” period, and when the staff will vote on the proposed homeroom or “skinny” period.
2. The Principal, Director of Employee Relations, and USEP President shall mutually determine and agree upon the teachers who will be affected by the proposed homeroom or “skinny” period.
3. The final proposal of the homeroom or “skinny” period shall be presented to all bargaining unit members at the school and fully explained by the Principal. The teachers in the bargaining unit, the President of USEP, and the Director of Employee Relations will be given five (5) days’ notice of such meeting. At least five (5) days prior to the explanatory meeting, the Principal shall provide a written copy of the proposed plan.
4. A secret ballot will be held under the supervision of the Principal of the school, the Director of Employee Relations/designee, and the President of USEP/designee. The Principal, President of USEP and Director of Employee Relations shall agree to the date, time, method of the vote, and procedures for absentee ballots. The affected teachers in the bargaining unit, the President of USEP, and the Director of Employee Relations will be given three (3) days advance notice of the voting date. A ballot must be given to each teacher eligible to vote and each teacher shall be given the opportunity to cast such ballot. Approval by two-thirds of the teachers eligible to vote is required. A valid vote shall not be rescinded.
5. Any challenge of the voting process, procedure, or results will be referred to the President of USEP and the Director of Employee Relations for resolution.
6. The Principal shall notify the Director of Employee Relations and the President of USEP of the results of the balloting. Approved plans are effective for the following school year and are non-precedent setting.
7. All other provisions of the *Instructional Master Contract*, including Addendum E, Contract Waiver Request, remain unchanged and in full force and effect.

ADDENDUM F

REASONABLE SUSPICION DRUG TESTING PROGRAM

As part of its commitment to safeguard the health of its employees, to provide a safe place for its employees to work and our students to attend, and to promote a drug-free working environment, the Pasco County School Board (Board) has established this Reasonable Suspicion Drug Testing Program (Program) relating to the abuse of drugs (including alcohol) by its employees.

This Program has been prepared so as not to conflict with public policy, and, further, not to be discriminatory or abusive. The ultimate goal of the Program is to balance the Board's respect for privacy with its need to keep a safe, productive, drug-free environment. Reasonable suspicion drug testing shall be required by a supervisor or designee, outside the bargaining unit, who has been trained for at least sixty (60) minutes on alcohol misuse and an additional sixty (60) minutes on controlled substance misuse. All test results will be kept confidential to the extent allowed by law.

Employees who engage in prohibited drug related conduct as verified by the testing results must be immediately removed from duty.

Any employee who is in violation of the Program shall be subject to discipline up to and including dismissal or required to participate in and complete a drug-abuse or alcohol rehabilitation program (rehabilitation program) as a condition of continued employment. The opportunity to participate in a rehabilitation program as a condition of continued employment will be offered only to employees who test positive for drugs or alcohol and who have not been previously found to be in violation of any provision of this Program. The employee is responsible for all costs associated with the rehabilitation program and will provide evidence of satisfactory completion of all phases and terms of the rehabilitation program to the Board. The rehabilitation program will include the involvement of a Substance Abuse Professional (SAP) approved by the Board. The SAP will evaluate the employee and make recommendations relative to fitness to return to work, appropriate education, treatment, follow-up tests, and aftercare. The employee will sign an authorization and release of information form allowing the SAP to release, and the Board to obtain, information relative to the employee's progress in the rehabilitation program. The employee will be on leave pending the successful completion of the rehabilitation program. The employee may use accrued sick leave during this period if available; otherwise, the leave will be unpaid. Upon completion of the rehabilitation program, the employee will be returned to work in a position similar to the position held when the violation occurred and for which he/she is qualified in the judgment of the Superintendent. An employee returning to work following successful completion of a rehabilitation program will be subject to random unannounced follow-up testing for one calendar year or longer if required by the SAP as part of the rehabilitation program.

The provision allowing entry into a rehabilitation program does not preclude the employee from being disciplined for other violations of the Program or other behaviors which would otherwise subject the employee to discipline up to and including termination of employment. These other behaviors include an employee's actions or behaviors at the time suspected drug or alcohol misuse is determined.

When a meeting is called to inform an employee that reasonable suspicion testing is required, a Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving tests, the meeting will not be delayed if the Union representative is unable to be present at the time specified for the meeting to begin. During the meeting, the supervisor calling the meeting will cite the indicators, which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.

Any employee who is discharged from the rehabilitation program for unsuccessful participation will be recommended for termination from employment. Any employee who is in violation of the Board's Program a second time will be recommended for termination.

Definitions

"Drug" is defined as: alcohol, including a distilled spirit, wine, a malt beverage, or an intoxicating liquor; an amphetamine; a cannabinoid; cocaine; phencyclidine (PCP); a hallucinogen; methaqualone; an opiate; a barbiturate; a benzodiazepine; a synthetic narcotic; a designer drug; or a metabolite of any of the substances listed in this paragraph. Employees tested under reasonable suspicion testing shall be tested for the following drugs: cannabinoids, cocaine, opiates (morphine), amphetamines, phencyclidine (PCP), benzodiazepines, barbiturates, methadone, propoxyphene, and alcohol.

Notification

Prior to implementation, the Board will provide all employees with an orientation that includes educational materials that explain the requirements of this program and the Board's policies with respect to these requirements. Each employee who has received these materials shall be required to sign a form certifying that he/she has received a copy of the materials.

An employee may be subject to a drug screening test under any of the following circumstances:

1. Where there is a finding of reasonable suspicion based on specific facts and inferences reasonably drawn from these facts in light of experience which would lead a prudent person to reasonably suspect that the employee was under the influence of illegal drugs or alcohol.
2. When an employee's conduct or appearance is directly observed or perceived as indicative of being under the influence of a drug or alcohol during work time. It is the Board's intention that such an observation be made by two or more

supervisors trained in alcohol and controlled substance misuse before requiring a reasonable suspicion drug test. However, this is not a requirement.

3. When an employee is found in possession of suspected illicit drugs or drug paraphernalia, or when suspected illicit drugs or paraphernalia are found in an area controlled or used exclusively by the employee.
4. As part of a rehabilitation program or as specified in the agreement.
5. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on school board property.

Testing

Testing of employees shall be done in accordance with the applicable federal and state law.

Refusal to submit to a drug screening test is defined as:

1. failing to provide adequate breath for alcohol testing without a valid medical explanation;
2. failing to provide adequate urine for drug testing without a valid medical explanation;
3. engaging in conduct that clearly obstructs the testing process; or
4. tampering with a drug test.

Failure to comply or provide an adequate urine or breath sample, absent a documented and verified medical excuse, shall be determined to be a positive test result.

Follow-up Testing

Should the employee successfully complete the drug-abuse or rehabilitation program, the employee, upon returning to work, shall be subject to follow-up drug or alcohol testing as determined by the SAP or as specified in this agreement.

This program will take effect on September 1, 2008.

Employees in safety sensitive positions covered by provisions of the Omnibus Transportation Testing Act (OTETA) as outlined in Addendum D of this agreement are not subject to this program.

END OF ADDENDUM F

INSTRUCTIONAL ECONOMIC PROPOSAL 2024-2025

The grandfathered pay plan and performance pay plan shall refer to the grandfathered salary schedule and performance salary schedule required by Florida Statute 1012.22. A teacher on an annual contract as of July 1, 2014, shall be automatically placed on the performance pay plan described in this proposal. A teacher on continuing contract or professional services contract will be placed on the grandfathered pay plan as described in this proposal as the default. These employees may opt into the performance pay plan if they affirmatively elect to do so and relinquish their continuing contract or professional services contract and agree to be employed on annual contract, as required by law. An employee who relinquishes his/her continuing contract or professional services contract may not return to the grandfathered pay plan or his/her continuing contract or professional services contract.

1. Salaries

A. Classroom Teacher and Other Instructional Personnel Salary Increases

1. During the 2024 Legislative Session, the Florida Legislature increased funding to the Classroom Teacher and Other Instructional Personnel Salary Increase Allocation and provided an additional \$201.8 million statewide specifically for teacher salary increases. As provided for by law, the increased funding for 2024-2025 must be used to either (a) increase the minimum base salary for all full-time classroom teachers to at least \$47,500 or the maximum amount achievable based on the increased funding; and/or (b) to provide salary increases to other full-time instructional personnel (excluding substitutes and instructional assistants/paraprofessionals) as best meets the needs of the district.
2. Based on the most recent FEFP Calculation released on July 17, 2024, Pasco County received an additional \$6,472,309 for classroom teacher and other instructional personnel salary increases. Of this total amount, approximately 10.738% has been allocated to the District's charter schools based on the Florida Department of Education's calculation methodology, leaving approximately \$5,777,312 for the District's use. This entire amount plus an additional proportional share of \$226,200 from grants and other non-general revenue funding sources will be utilized to (a) to increase the minimum full-time teacher salary to \$47,500 (an

- increase of approximately 1.064%); (b) to improve the new hire placement schedule by the same approximate 1.064%; (c) provide the same 1.064% salary increase to teachers who are new to the District and who did not earn a year of service credit for the 20223-2023 school year; and (d) provide a 1.83% salary increase to teachers who earned a year of service credit for the 2023-2024 school year.
3. Approximately \$1,107,881 of the \$6,003,512 allocated above will be provided to cover the 22.63% employee benefits costs associated with the above salary increases. These costs include the District's required contributions to each employees Florida Retirement Service account, Federal Social Security and Medicare contributions, and state Workers Compensation and Unemployment insurance coverage.
 4. The definitions articulated in Florida law are to be applied, as required, to all relevant terms in this proposal.
 5. The minimum teacher's salary referenced in this section is based on a traditional 196-day contract with 7.5 hours contracted per day. Teachers contracted for additional days and/or hours per day have their salaries adjusted proportionally to their contract terms.
 6. All increases listed above are calculated off each employee's base salary. Payments made for advanced degrees, supplemented activities, ESY, ESD, emergency pay, and any other additional duty activities are not included in an employee's base salary.
- B. Additional Salary Increases and Other Salary Expenditures
1. An additional amount of \$5,478,614.85 (inclusive of the District's required benefit contributions) will be provided to allow for an additional increase of one point sixty-seven (1.67%) percent for all eligible instructional employees who earned a year of service credit for the 2023-2024 school year, thus bringing the average instructional employee salary increase to 3.5% when combined with the Classroom Teacher and Other Instructional Personnel Salary Increase Allocation.
 2. The District will cover the cost of additional required contributions to the Florida Retirement System. For the 2024-2025 school year, the increased contribution amount is 0.06% or approximately \$157,569 based on existing, pre-raise payroll.
 3. The District will also continue to provide \$250,000 for non-recurring one-time supplements for teachers who meet the criteria for differentiated pay categories. Teachers will be eligible for this supplement provided that they are employed in Title One eligible or DDD/F schools or are employed and properly certified in critical shortage subject areas as defined by the District. For the 2024-2025 school year, Critical Shortage for the purposes of differentiated pay is defined as: Teacher - Autism Spectrum Disorder, Teacher - Emotionally Behaviorally Disabled, Teacher - Intellectual Disabilities, Teacher - Vision Impaired, Teacher - Deaf and Hard of Hearing (DHH), and Speech Language Pathologist. Teachers are eligible to receive a supplement meeting the criteria for Title One eligible or DDD/F but not both. Teachers on the performance pay plan and grandfathered pay plan are eligible for these supplements.
 4. The placement schedules contained in Addendum A will be used to place instructional employees hired on or after July 1, 2024, onto the instructional salary range.
 5. Following the ratification of this agreement and processing of the salary increases outlined above, all teachers will be provided documentation from HREQ that will reflect their base salary for the 2024-2025 school year.
 6. Instructional employees hired after July 1, 2018, will be paid year-round on the 27-pay cycle. Those hired before July 1, 2018, will have the option of remaining on the 22-pay cycle with a lump sum payment at the end of the school year or may choose to enter the year round 27-pay cycle. When an employee moves to a 27-pay cycle, he/she will remain on the year round 27-pay cycle and may not opt back into the 22-pay cycle.
- C. Approximately \$170,893 shall be provided to improve Addendum B - Supplement Schedule by 3.0% as specified in this proposal.
- D. The payment and increases shown above will be provided retroactively to July 1, 2024, for current bargaining unit members employed on the date this agreement is executed. However, such payments and increases will not be provided to bargaining unit members who leave the District prior to the payroll processing of the above listed salary increases and any corresponding retroactive payments.
- E. Should the District's budgetary status improve during the 2024-2025 school year, the Board and the Union agree to meet to examine the possibility of compensation improvement.

- F. The Board and Union agree to continue to meet and work to identify strategies to address instructional salary compression concerns and other perceived salary equity issues created by the state mandated Teacher Salary Increase Categorical.

2. Additional Compensation for Teachers Providing Additional Instruction

For the 2024-2025 school year, teachers who agree to provide an additional period of instruction beyond what is expected of other teachers at his/her school shall be paid a supplement of \$6,695 annually, or \$3,347.50 on a semester basis. Full-time teachers at Marchman Technical College employed prior to July 1, 1997, shall continue to receive this supplement. Secondary classroom teachers who are hired on or after July 1, 2020, and who sign a condition of employment to teach the equivalent of six instructional periods per day, shall be paid the supplement amount listed above.

3. Fingerprint Retention Fees

Florida Statutes require the submission of employee fingerprints to the Florida Department of Law Enforcement (FDLE) automated fingerprint identification system, annual monitoring, and resubmission of the fingerprints every (5) years. The monitoring fee, currently \$6.00 per employee, must be paid each year and the resubmission fee, currently \$13.25 per employee, must be paid every five (5) years. In order to comply with the applicable law and provide a benefit to teachers, the Board and the Union agree that the Board will continue to pay the fingerprint retention fee for teachers, estimated to be \$42,800 for the 2024-2025 school year.

4. Fringe Benefits

The Board agrees to contribute \$8,700 per eligible employee, an increase of \$459.36 from 2024, toward the cost of the health insurance benefit package for the 2025 insurance plan year. The Board will provide each eligible employee a \$35,000 life insurance policy and access to Employee Assistance Program (EAP) benefits at the estimated total cost of \$545,353. In addition, the Board has agreed to make a one-time nonrecurring contribution of approximately \$850,000 into the health insurance claims reserve account to ensure the health insurance benefit package meets annual state actuarial requirements.

The Board's contribution will be used to pay those premiums associated with the fully insured benefits contained in the health insurance benefit package, to pay all claims and administrative costs incurred and associated with the self-insured benefits contained in the health insurance benefit package, and to contribute towards the insurance reserve account for the self-insured benefits contained in the health insurance benefit package.

Should there be any surplus once the District has set aside funds to pay all fully insured premiums, all self-insured incurred claims, all administrative costs associated with the health insurance benefits package, and funded the insurance reserve/surplus account to the level identified by the District Insurance Committee, then such surplus will be placed in the insurance reserve/surplus account and applied towards the insurance costs and/or reserve for the 2026 plan year. Should increases in costs for the products and services contained in the health insurance benefit package require an additional District contribution in excess of the operating dollars budgeted for the 2025 benefit year, the Board and the Union will meet to decide how to balance any such deficit.

In addition, the alternative "opt-out" program shall be provided to bargaining unit members with existing coverage who do not choose one of the Board-approved health insurance plans. The amount of this "opt-out" will be \$1,200.

Effective with the 2013-2014 school year, employees receiving the District's health insurance benefit package who terminate employment after working through the final day of his/her respective work calendar shall continue to receive Board contributions towards his/her health insurance benefit package through the end of August of that plan year.

END OF ECONOMIC PROPOSAL

Memorandum of Understanding Additional Compensation for Teachers Covering Absent Teachers

In recognition of the local, state, and national teacher shortage, and to compensate teachers who are willing to assist in providing coverage for absent classroom teachers, the Board and Union agree to the following for the 2024-2025 school year only:

1. Secondary teachers who voluntarily substitute for an absent teacher during their planning period shall be provided \$25 per day for such coverage during the 2024-2025 school year. Teachers will be limited to one such payment per student day.
2. Secondary classroom teachers who volunteer to cover for an absent teacher through the distribution of that teacher's students shall be provided 30 minutes of compensatory time for each half day, or portion thereof, coverage provided. The Board and Union agree that classes will be distributed only in emergency situations.
 - a. Compensatory time should only be utilized during non-student contact time and must be approved in advance by the principal.
 - b. Compensatory time must be used within the school year it is earned and cannot be carried forward from one school year to the next. In addition, compensatory time earned under this plan has no terminal value should a teacher's employment be separated mid-year.
 - c. Site-based administration shall be responsible for tracking the accumulation and use of compensatory time through this process.
3. Elementary teachers who volunteer to cover for an absent teacher through the distribution of that teacher's students shall be provided \$25 per each whole day for such coverage during the 2024-2025 school year.

Nothing contained in this process prevents individual schools from providing additional recognition to teachers who agree to provide coverage for absent teachers beyond the terms of this process. The Board and Union agree to review the data surrounding the usage of these provisions and evaluate their efficacy in helping to cover for teacher absences and vacancies. The parties agree that these provisions are designed to serve in tandem with securing normal substitute coverage. School administrators retain the right to secure a traditional substitute for any teacher absence.

Memorandum of Understanding Adult High School and Graduate 24/7 Programs

Adult High School programs, as authorized by Sections 1004.01 and 1004.93 of Florida Statutes, enable an adult no longer enrolled in public education to complete the required courses and state assessments to earn an Adult High School diploma. Course requirements are in accordance with the State of Florida Adult High School Course Curriculum Frameworks as established by Section 1004.92 of Florida Statutes. The Graduate 24/7 program was created as an extension of the Adult High School program specifically geared toward high school juniors and seniors that needed more credits than allowable through the standard co-enrollment program. Additionally, the District needed a plan to help increase graduation rates in high schools. Students who complete graduation requirements through the Graduate 24/7 program will receive a diploma from their referring high school.

Adjunct Positions:

1. Teachers will be paid each quarter to provide instruction for students in accordance with the contractual obligations set forth in agreements with Florida statute and Board policy. For adjunct staff members who serve as the teacher of record, the total student load shall not exceed 30 active enrollments. After being selected as a Graduate 24/7 Program and/or Adult High School teacher, but before being assigned his/her first virtual instruction course, each teacher must complete training on providing virtual instruction through the professional learning program established by Pasco County's Department of Career Technical and Adult Education. The District will provide the after-hour staff development rate for scheduled live training sessions that are scheduled outside of work hours.
2. Teachers will be required to have a publishable telephone number and a computer with high-speed internet access. School facilities and equipment may be utilized to the extent that they are normally available and so long as a teacher's regular work responsibilities are not disrupted.
3. Teachers will be expected to establish weekly "office hours" during which students and parents will be able to communicate with the teacher via telephone. In general, at least five (5) hours of "office hours" should be scheduled each week of instruction. These hours will be set at the teacher's discretion in keeping with the rules and procedures established in the staff handbook. Additional student and parent contact may be required beyond the teacher's established "office hours" and can be conducted in the time, place, and manner agreed upon by the teacher and the student or parent.

4. In general, teachers will be expected to return student and parent communication within twenty-four (24) hours of the contact being initiated.
5. Teachers will be expected to comply with the rules and procedures established in the staff handbook.
6. Teachers will be expected to attend once-per-quarter virtual staff meetings.
7. Initial enrollment and registration of students will not be the teacher's responsibility.
8. The Board and the Union will meet periodically to discuss the implementation of this virtual instruction program.

**Memorandum of Understanding
Dual Enrollment**

Dual enrollment allows eligible students to have the opportunity to earn college or technical credit at local colleges. A dual enrollment student is simultaneously enrolled in both high school and college or specific technical credit courses taught by non-Pasco County Schools institutions with which Pasco County Schools has a School Board approved Dual Enrollment Agreement. These courses are counted toward high school graduation. In an effort to increase dual enrollment opportunities for students on our high school campuses, the District and Union agree to the following for the 2024-2025 school year only:

Credentialed dual enrollment teachers who teach a dual enrollment course on a Pasco County high school campus will receive a supplement of \$25 per student per semester where a student completes a dual enrollment course with a grade of "C" or higher. All supplements paid under this MOU shall be in addition to any regular wage, supplement or bonus the teacher receives, and shall be prorated and paid in the same manner as any other supplements for the period of time in which the teacher serves as the teacher of record for the Dual Enrollment class. Supplements will be scheduled for payment in December of the following school year, and a teacher does not need to be employed by the District at the time the payment is made.

**Memorandum of Understanding
Elementary and Secondary Education Act/Every Student Succeeds Act**

In an attempt to minimize the impact of the Elementary and Secondary Education Act (ESEA)/Every Student Succeeds Act (ESSA) on instructional staff, the Board and Union agree to the following provisions for the 2024-2025 school year only:

1. It is the Board's intent to keep teachers in positions for which they hold a temporary or professional certificate with appropriate coverage.
2. The Board shall make every effort to minimize the number of core academic subject areas for which a teacher must obtain a temporary or professional certificate with appropriate coverage.
3. The Board shall partner with FLDOE approved entities and/or provide, at no cost to the teacher, staff development opportunities for those teachers seeking to add Reading Endorsement, Gifted Endorsement, and/or

ESOL Endorsement to their certificate and shall give priority to those teachers identified, per state statute or FLDOE board rule, as needing those endorsements.

4. No new teachers will be hired to fill an advertised position vacancy until all current teachers who do not meet the ESEA/ESSA definition are provided the opportunity to apply for and be interviewed for the position; provided they hold either a temporary or professional certificate with appropriate coverage.

5. Teachers wishing to transfer under this provision will apply online within the advertised period and will identify that they are seeking assignment priority in accordance with this Memorandum of Understanding. The Board shall give priority to such current teachers over outside applicants when filling vacant positions. Such priority will not supersede priority for involuntary or voluntary transfers resulting from staff reduction.

Memorandum of Understanding

Grow and Stay Retention Bonus

The District, in its commitment to continue to grow future educators within Pasco County Schools, created a program called the “Grow and Stay Pasco Initiative.” This initiative recruits students into the Pasco County teacher workforce upon college graduation and completion of a teacher preparation program and teacher certification.

In an effort to reward those teachers who graduate from the program and remain with Pasco County schools, the District and Union agree to fund the following:

A one-time stipend of \$500 will be paid at the end of the 2024-2025 school year to teachers who have participated in the Pasco County New Teacher Academy during high school, graduated from high school and enrolled in a teacher preparation program, graduated from college with a degree in education, obtained appropriate certification from the Florida Department of Education, accepted a teaching position with Pasco County Schools, completed one year of teaching with Pasco County, and signed a contract for year two.

Funding for this initiative is provided through the District's recruitment budget.

Memorandum of Understanding Gulf Middle School MYP

Gulf Middle School (GMS) became an International Baccalaureate (IB), Middle Years Programme (MYP) Candidate School at the start of the 2020-2021 school year. The Middle Years Programme is a research-based, international educational program that strongly supports rigor for all students. To sustain a Middle Years Programme, the International Baccalaureate has standards and practices that must be met by all schools seeking authorization and IB World Schools. Gulf Middle School, in order to meet and sustain the requirements of the Middle Years Programme, Gulf Middle School requires a consistent seven-period day schedule.

For the 2024-2025 and 2025-2026 school years only, GMS will have a 7-period school day with each period being 48 minutes. Instructional staff will teach six of seven periods daily for which teachers will be paid a supplement of \$6,500.00 annually and will retain a 30-minute duty-free lunch. The 48-minute planning period will be treated as a planning period as described in the Instructional Master Contract, Article VII, Section S.

Memorandum of Understanding Instructional Referendum Implementation

On August 23, 2022, the voters of Pasco County approved a 4-year millage referendum to be used exclusively for the recruitment and retention of non-administrative employees via compensation improvements. The voter-approved referendum authorizes the Board to levy up to a total of 1 mil for each of the four years covered by the referendum to fund compensation improvements. The collection of referendum funds began in November of 2023, and collections are scheduled to occur through the 2026 tax year. The referendum may be renewed by the voters beyond the original term in accordance with state law in effect at the time of the renewal election. To facilitate the distribution of the proportional share of funds earmarked for instructional personnel, the Board and Union understand and agree to the following for the 2024-2025 payment period outlined below.

General Provisions

1. In accordance with their statutory authority, the Board maintains the exclusive authority to set the annual millage rate associated with this millage referendum, which will in turn determine the available annual budget for the stated employee compensation improvements.
2. All compensation improvements provided through this millage referendum are non-recurring salary supplements, the amounts of which are subject to the collective bargaining process.
3. The District has established a citizens oversight committee to monitor and report on the expenditures of the millage referendum funds. While this committee does not have authority to make decisions on behalf of the Board or the Union, they may make recommendations.
4. The negotiated supplement amounts will be in effect from November 1, 2024, through October 31, 2025, or until new supplement amounts are determined, whichever occurs latest.

5. This memorandum and the annual salary supplement amounts will be renegotiated each year based on available funding from the budgeted and collected millage for the upcoming annual payment period. As such, no instructional employee shall have an expectation of receiving a specific referendum salary supplement amount after the conclusion of the annual reconciliation and payment period.
6. The non-recurring salary supplements provided to instructional employees during the 4-year referendum period will be considered a portion of an eligible instructional employee's compensation and will be part of that employee's salary for the purposes of Florida Retirement System (FRS), Social Security, Medicare, and other mandatory payroll contributions and deductions.
7. Should the millage referendum expire without renewal, instructional employees shall have no expectation of receiving referendum salary supplements once all available referendum funds have been dispersed, nor shall any expectation exist that any other non-referendum funds will be utilized to compensate for the non-renewal of the referendum salary supplements.
8. Should circumstances arise that increase the amount of referendum millage collections available during an annual payment period and/or should a surplus of funds exist at the end of an annual payment period, the Board and Union agree to include those amounts in their negotiations for the subsequent annual payment period.
9. Should circumstances arise that materially reduce the amount of referendum millage available during an annual payment period, the Board and Union agree to meet and negotiate, with all reasonable haste, changes to the annual salary supplement plan to bring salary referendum revenues and expenditures into alignment for the applicable annual payment period. Immaterial reductions at the end of an annual payment period will be adjusted in subsequent annual payments.

2024-2025 Instructional Referendum Salary Supplements (RSS)

1. RSS amounts for instructional personnel are outlined in the table below. The RSS amounts listed are annual amounts. For this table, Instructional years shall be the number of years of full-time teaching experience for which a teacher had a valid teaching certificate.
2. RSS amounts are based on a 196-day contract and a contracted workday of 7.5 hours (maximum of 8 hours per day). Instructional employees who are contracted for more or fewer days, or who have longer or shorter contracted workdays, shall have their individual RSS prorated accordingly.
3. Compensation provided to instructional employees for advanced degrees, supplemented activities, ESY, ESD, emergency pay, and any other additional duty activities outside of their regular contracted workday/work year will not impact or be impacted by the instructional employee's RSS amount.
4. RSS payments will be equally prorated out across each scheduled paycheck for the instructional employee's position. Should an instructional employee change positions with the District during their contracted work year, the instructional employee's bi-weekly RSS amount for that pay period will be a blended amount based on the number of days worked in each of the two jobs during the bi-weekly pay period. Should an instructional employee terminate employment during their contracted work year, RSS payments will only be made for the bi-weekly pay periods for which the instructional employee is actively employed and being paid. RSS payments will not be made on accrued leave payouts at the time of an instructional employee's separation from employment.
5. Instructional employees on unpaid leave shall have their RSS payment adjusted in the same manner as all other forms of compensation provided by the District.

Anticipation of Employee Ratification

In anticipation of employee ratification of the full 2024-2025 collective bargaining agreement, the Board and Union agree to submit this memorandum for Board approval and processing consistent with the dates listed above.
