B. Definitions:

The term "days" shall mean working days.

C. Rights and Responsibilities of the Grievant

The lodging of any grievance shall be the exclusive right of the members in the bargaining unit or the Association. If a member of the bargaining unit institutes this grievance, the member waives all rights to use any other appeal procedure relating to the grievance until exhausting all the steps of the grievance procedure. Grievant retains the right to elect to withdraw the grievance, provided it is in writing. A grievance may be withdrawn at any level but may not be filed a second time. The Association may grieve on its own behalf involving those contractual items directly and exclusively relating to the Association.

D. In the event a member of the bargaining unit has a grievance, he/she shall abide by the management decision involved, prior to and during the time the grievance has been filed and is being processed.

E. A grievance may be withdrawn at any level but the same grievance may not be filed a second time by the same party.

F. Time Limits:

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered the maximum, and every effort should be made to expedite the process before the deadlines are reached.

G. Right to Representation:

The Grievant shall have the right of Association representation at each step of the grievance procedure, including the Informal Discussion, and the grievant shall be required to be present at each step. The grievant shall have the right to present the grievance(s) to the designated representative of the Board and to have such grievance adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the collective bargaining contract and a representative of the Association has been given the opportunity to be present at such adjustment(s).

H. Informal Discussion:

In the event that a member of the bargaining unit believes there is a basis for grievance, the individual should first discuss, in person, the alleged grievance with the principal, immediate supervisor, or superintendent or his/her designee authorized to settle the grievance. Such

informal discussion shall take place within five (5) working days after the grievant should reasonably have had knowledge of the alleged violation of the contract. Other parties may be present at the informal discussion with the mutual consent of the principal and/or immediate supervisor and the member or their representative.

I. Step I:

When a member or members of the bargaining unit has a grievance he/she may file a formal grievance in writing on an approved form with his/her principal and/or immediate supervisor. The statement of grievance shall state in writing the facts giving rise to the grievance, the specific article(s), and section(s) of the contract which has been violated and the specific relief and/or remedy sought. Grievance must be filed within fifteen (15) working days after the grievant should reasonably have had knowledge of the alleged violation of the contract but in no case may a grievance be filed six (6) months after the occurrence of the grievance. The principal, immediate supervisor, or Superintendent or his/her designee authorized to settle the grievance shall have ten (10) working days after receipt of the grievance in which to hold a conference with the grievant. The grievant and the Association shall be advised, at least two working days in advance, in writing of the time, place and date of such conference and the grievant shall have the right to have present at such hearing a representative of the Association if he/she chooses. A written decision from the immediate supervisor must be rendered within ten (10) working days after the conclusion of the conference. Copies will be sent to the grievant and the Association. If the grievance does not apply at the building or supervisory level, the grievant may submit such grievance in writing directly to the Superintendent.

J. Step II:

If the disposition of the grievance in Step I is not satisfactory to the parties or does not fall within the stated time limit, the grievant may submit the grievance within ten (10) working days of receipt of the disposition of the grievance made in Step I to the Superintendent or his/her designee. Within the ten (10) working days of receipt of the grievance the Superintendent or his/her designee shall hold a conference to resolve such grievance at a mutually agreed upon date, time and place. The grievant and the Association shall be advised, at least two (2) working days in advance, in writing of the time, place and date of such hearing and the grievant shall have the right to have present at such conference a representative of the Association if he/she chooses. A written decision by the Superintendent or his/her designee must be rendered within ten (10) working days after the conclusion of the conference. Copies will be sent to the grievant and the Association.

K. Step III:

If the grievant is not satisfied with the disposition of the grievance made in Step II, the grievant may move the grievance to arbitration by filing a request for such with the Superintendent within ten (10) working days after receipt of the written disposition made at Step II. Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitrator and the American Arbitration Association will be divided equally between the parties. The grievant will pay the entire cost of arbitration if the grievant moves the grievance to arbitration without prior written consent of the Association. The Arbitrator shall be selected by mutual strike in accordance with the rules of the American Arbitration Association which shall govern the selection of the Arbitrator and the arbitration proceedings. The Arbitrator shall not have

the power to add to, subtract from, modify or alter the terms of the collective bargaining contract.

1. He/She shall have no power to change any practice, policy or rule of the Board nor to substitute his/her judgment for that of the Board as to the reasonableness of any such practice, policy, rule or any action taken by the Board, except where there is a possible violation of a section of this Contract.
2. His/Her powers shall be limited to deciding whether there has been a misinterpretation or misapplication of this Contract as affecting any individual member or group of members individually identified within the bargaining unit; and shall not imply obligations and conditions upon the Board other than those which are specifically included in this Contract.
3. He/She shall have no power to establish salary schedule.
4. In rendering decisions, the Arbitrator shall give due regard to the responsibilities and rights of the Board and member(s) and shall so construe the Contract that there will be no interference with such responsibilities and rights, except as they may specifically be conditioned by this Contract.
5. In the event that a case is appealed to an Arbitrator on which he/she has no power to rule, it shall be referred to the parties without decision or recommendations on its merits.

The Arbitrator shall confer with the representatives of the Board and the Association and hold hearings promptly, and shall issue a decision no later than thirty (30) days from the date of the close of the hearings or final submissions. The Arbitrator's decision shall be in writing and shall set forth findings of fact, reasons and conclusions on the issues submitted. The decision of the Arbitrator, made in conformity to the definition of his/her authority by law, and restricted by the constraints within this Contract shall be submitted to the Board and the Association and shall be final and binding upon the parties.

L. Further Understanding:

The time limits provided in this article shall be strictly observed but may be extended by mutual written consent of the Superintendent or his/her designee and the Association. Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this agreement. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. A grievant will not be compelled to attend meetings on days that are not workdays, unless the grievance regards termination or suspension without pay. In cases of termination or suspension without pay the grievance steps will be conducted as quickly as practical for both parties, upon mutual consent of the parties.

No reprisals of any kind shall be taken by either party or by any member of the administration against any party in interest, any school representative or any other participants in the grievance

procedure by reason of such participation. All grievances may be filed and/or lodged by the grievant during the normal school day, provided that such filing shall be during non-instructional time and/or such filing does not disrupt the educational process. If the grievant, principal, the immediate supervisor, Superintendent or his/her designee or the hearing officer is ill, or on approved leave, the time limits may be extended to such time that the grievant, principal, the immediate supervisor, Superintendent or his/her designee and hearing officials involved with the dispute and resulting grievance have the right to have representation at conferences and hearings as outlined in Article III, H – K. All documents pertaining to a grievance shall be filed separately from the grievant's personnel folder(s). All provisions of this procedure shall be strictly adhered to except where they are mutually altered in writing by the Board and the Association. Grievances can be lodged and/or filed concerning only and limited to the terms of this Contract.

The Board agrees to reimburse teachers for all required courses mandated by the Superintendent and the Board, including courses required by the State where a teacher has been involuntarily assigned out of field. However, this provision for reimbursement shall not apply in the case of courses taken as required for certificate renewal, ESOL, nor for certification in other subject areas upon the volition of the teacher. It shall be the teacher's responsibility to maintain current certification.

2. Highly Qualified

The Board agrees to reimburse teachers to obtain Highly Qualified status up to 100 percent for purchase of tuition and books contingent upon the availability of funds.

G. Reduction and Recall

In the event the Board/Superintendent determines that the number of employees district-wide or within a certain position classification shall be reduced, the following language shall apply: (Ratified 12/2009)

Teachers will be classified into three cohorts based on their last two performance evaluations in the district. The cohorts will be prioritized as follows: unsatisfactory, needs improvement, effective/highly effective. (Ratified 9/14/12)

Reduction in force will be accomplished through implementation of the reduction in force matrix with those with unsatisfactory final evaluation ratings considered first followed by those with needs improvement final evaluation ratings followed by effective/highly effective final evaluation ratings. Within each cohort teachers are further ranked by contract status and other criteria as denoted in the following matrix: (Ratified 9/14/12)

Reduction in Force Matrix – Reduction in Force to be accomplished through the following categorization of teachers in 3 “buckets” considering first teacher evaluation, followed by other factors denoted by ** on the matrix.

<i>“Unsatisfactory”</i>	<i>“Needs Improvement”</i>	<i>“Effective/Highly Effective”</i>
1. Teachers with 2 consecutive years of “unsatisfactory” final evaluation ratings. 2. Teachers with 1 “unsatisfactory” final evaluation rating in the last 2 years. Teachers would be ranked by their contract status with Annual Contract (AC) teachers first, teachers with a Professional Services Contract (PSC) next, followed by teachers on a Continuing Contract (CC) last. **Within each individual group, teachers would be further ranked on the following considerations: a. Notes:

- A. Each numbered teacher description is an individual “bucket” of teachers. Within each “bucket” the teachers are further ranked by contract status, and even further ranked using the criteria denoted (years of teaching in the district, certification/assignment flexibility, and extra-curricular assignments).
 - B. In all categories, only the last 2 years of evaluation records apply.
 - C. The rationale for the “Effective/Highly Effective” group #3 is to give credit to an “effective/highly effective” teacher who has shown improvement from “effective” in the current year.
- D. If final evaluations are not available and only the Instructional Practice Score (IPS) is available, IPS score(s) will be utilized to create the buckets.

H. Major Reduction (30) or More

After a major reduction of members of the bargaining unit involving thirty (30) or more members, those unemployed former members who are properly certified and who had other than an unsatisfactory evaluation in their previous two years of service will be recalled with the most senior bargaining unit member recalled first. Those former members who are properly certified for such vacancies will be recalled. However, if an employee has not been recalled within two (2) years from date of layoff, all recall rights shall cease. (Ratified 9/14/12)

I. Recall Letters

Within ten (10) working days of the receipt of a letter of recall or fourteen (14) days following the postmark date on the letter, a teacher shall notify the Human Resources Department in writing whether he/she shall accept employment. Failure to respond to the letter of recall and accept the position within the time required automatically terminates the teacher's rights of recall. The teacher is responsible for maintaining a current address and telephone number in the Human Resources Department at all times for purposes of this section. The letter shall be mailed to the teacher at said address by certified mail, return receipt requested, and will state that he/she must respond in writing to accept the position. (Ratified 12/2009)

J. Seniority Lists

Seniority lists of the bargaining unit shall be available in the Human Resources Department during working hours.

K. Continuing Health Insurance

Any teacher who is non-reappointed or who is excessed at the end of the school year due to the district's reduction of positions shall continue in the health insurance program until the first payroll of the next school year at the regular rate of teacher contribution provided that the appropriate health insurance deductions are made during the month of June.

TEACHER EVALUATION

- A. The parties agree that the primary objective of observation and evaluation of teachers is to improve the quality of instructional services and agree to adhere to the specific procedures for the St. Lucie Teacher Evaluation System (TES) as contained in the St. Lucie Teacher Evaluation System Handbook. (Ratified 9/2015)
- B. All teachers will be given the criteria and appraisal forms for evaluation during pre-planning. If employment commences after pre-planning, such criteria and appraisal forms will be given to the teacher within five (5) working days. (Ratified 11/17/11)
- C. A CTA faculty representative from each school may attend the District Evaluation System Training with his/her principal. (Ratified 5/2015)
- D. When one or more unsatisfactory areas of performance are identified a Performance Improvement Plan may be initiated and the teacher will receive suggestions in writing from the administrator on how to improve the stated deficiencies. This will be done in a conference. A follow up conference will be held to assess improvement(s) in the unsatisfactory areas of performance. (Ratified 11/17/11)
- E. The annual evaluation form will be signed by the teacher and the evaluator and a copy will be filed in the teacher's personnel file. The teacher's signature acknowledges receipt and is not to be interpreted as agreement with the evaluation or its contents. (Ratified 11/17/11)
- F. Under the provisions of Florida Statute 1012.34, a teacher's annual evaluation may be amended based upon assessment data from the current school year if the data becomes available within 90 days after the close of the school year. (Ratified 11/17/11)
- G. Teachers will receive timely, specific feedback after both formal and informal observations via access to observation results within the St. Lucie County School District teacher evaluation web platform. Formal observations require written feedback to the teacher from the observer. Written feedback is optional, but encouraged, for informal observations.
- H. The district is focused on inter-rater reliability for observers. Individuals responsible for conducting observations will be required to attend on-going professional development throughout the school year. In addition, the district is developing an "observer certification" component. (Ratified 11/17/11)
- I. Evaluation Appeals
 - 1. Teachers may appeal their summary evaluation based on a lack of adherence to the procedures outlined in the current Teacher Evaluation System Handbook. A teacher may submit an appeal of his/her Instructional Practice Score (IPS) rating within 10 days of the close of the end-of-the-year evaluation deadline and receipt of the IPS score. Appeals of the Student Performance Rating and/or final summary evaluation rating will be submitted

by the teacher within 10 working days after receipt of the overall summary evaluation to the Executive Director of Human Resources. Appeals are to be submitted in writing on the Teacher Summary Evaluation Appeals Form located in the TES Handbook along with all supporting documentation. The Teacher Evaluation Appeals Form will be developed in collaboration with the Association.

2. An Appeals Committee made of up three (3) Association representatives and three (3) district representatives will review appeals in accordance with the timelines and procedures outlined on the Teacher Evaluation Appeals Form. Instructional personnel will be informed in writing of the decision of the Appeals Committee. The decision of the Appeals Committee will be final.
 3. Upon review, if a teacher's summary evaluation appeal is granted, the teacher will receive nothing lower than an effective rating for his/her final evaluation. If a teacher appeals a rating of effective, and the appeal is granted, the final evaluation will be moved to highly effective. If a teacher appeals his/her final Instructional Practice Score rating and the appeal is granted, the teacher will receive nothing lower than an Effective rating on his/her Instructional Practice Score for the final evaluation. If a teacher appeals a rating of Effective on the Instructional Practice Score and the appeal is granted, a score of Highly Effective on the Instructional Practice Score will be used to calculate the summary evaluation final score.
- J. The district and the Association agree to review the evaluation process annually via the Steering Committee for Teacher Evaluation and make changes as necessary.

If the rules of the adoption agency require proof of leave as a consideration of granting the adoption, the Board shall provide proper assurance that such leave will be granted and, if necessary grant leave at the time required by the agency.
3. The teacher who has received either maternity/paternity or adoption leave may return to work after the leave has expired without loss of previous leave benefit.
4. A teacher who has been on maternity/paternity or adoption leave will, upon expiration of such leave be assigned to the teacher's former position or a comparable position.

F. Jury and Witness Duty

When an employee is under subpoena for jury duty or as a witness in connection with his/her official duties, or in a court action in which he/she is not a party to the litigation and is required to be absent from employment, he/she shall make application for the appropriate leave. If the application is approved, he/she shall receive his/her regular salary. Any money received for such service as a juror or witness, with the exception of the money received for travel, meals or lodging, shall be promptly reimbursed to the Board. Failure to reimburse the Board within thirty (30) calendar days after return shall result in the employee's loss of regular pay during the leave period. If an employee is released by the court from his/her witness or jury duty, he/she shall report to his/her regular place of employment.

Reapplication to the sick leave bank requires a separate Application for Use of the Sick Leave Bank form and must be accompanied by a doctor's certification that the current illness/injury is not the same or related to an illness/injury used for sick leave bank benefits in the past. The member must also complete and submit a "Request/Reason for Absence." (Ratified 12/2009)

Letter of Understanding
School Board of St. Lucie County
Education Association of St. Lucie – CTA/CU/Protech
Wellness Incentive Program 2022-2023 School Year
April 28, 2022

The following is a tentative agreement between the School Board of St. Lucie County and Education Association of St. Lucie (EASL), regarding the Wellness Incentive Program for the 2022-2023 school year. The parties agree to implement this agreement prior to the conclusion of negotiations for the 2022-2023 school year.

The parties agree that promoting and maintaining a wellness program for school district employees is beneficial to the overall mutual goals of the parties which include improving employee attendance and containing the cost of insurance premiums. The Board agrees to fund wellness incentives for those employees participating in the St. Lucie County School District Employee Health Plans. The incentive program period will run from June 1, 2022 through April 30, 2023.

The incentive program will reward participants points based on the Incentive Program Activities and Points Schedule and each point is equal to \$1.00. Participating employees may earn up to 200 points for the entire year. For participants in a Health Savings Account (HSA) eligible plan (BC/BS Plans 5192/5193 or 5180/5181), the wellness incentive will be awarded as a contribution to the employee's HSA account. Employees are responsible for ensuring that they do not exceed the HSA annual maximum contribution as per IRS regulation. For participants in a non-HSA eligible insurance plan (BC/BS Plan 5771), the earned wellness incentive will be awarded as a credit towards the employee's health insurance premium. For any employee who is not eligible for the HSA contribution or premium credit, the wellness incentive will be paid out as a supplement. Only employees who participate in the St. Lucie School District Employee Health Plans are eligible for wellness incentives. To receive the incentive the employee must be eligible and active as of the date the incentive award is made.

The activities and points structure for the wellness incentive are as specified in the Wellness Activities and Associated Points for 2022-2023 Schedule as shown on page 2.

The Wellness Incentive Program will be reviewed quarterly by the Collaborative Bargaining Compensation Subcommittee.

Letter of Understanding
School Board of St. Lucie County
Education Association of St. Lucie – CTA
Regarding Elementary Reading
Incentive Bonus- Increased
July 25, 2022

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) regarding the need to expand the number of elementary reading certified or endorsed teachers in St. Lucie Public Schools. Both parties agree that a strong foundation in literacy is critical to the success of our students. Our students in primary grades experienced interruptions in learning during critical years and it is important that our teachers have the training needed to recover those skills. Elementary teachers must earn a reading endorsement to teach summer school and our summer school offerings have vastly increased due to the pandemic. Unlike secondary reading teachers who are required to be certified or endorsed to teach reading, elementary teachers are not required to hold this additional credential.

Through ESSER funding, SLPS will provide a one-time **\$2000** incentive bonus to every full-time elementary teacher who meets the following criteria:

- Teach elementary students during the 2022-2023 school year **and**,
- Hold or add one of the following:
 - Florida Teaching Certificate in reading **or**
 - Reading Endorsement.
- The bonus will be paid on the following schedule:
 - December 15th, 2022 = If the certification or endorsement is on the teacher's certificate by December 1st, 2022
 - or
 - May 15th, 2023 = If the certification or endorsement is on the teacher's certificate by May 1st, 2023
 - Teachers on leave will be paid the bonus upon return to duty providing they continue to meet all criteria and funding is still available.

This Letter of Understanding replaces the original signed on June 2, 2022 and increases the incentive amount from \$1,000 to \$2,000.

This Letter of Understanding supersedes the LOU signed on May 31, 2019. This agreement is subject to ratification and board approval.

The Board and EASL make this agreement for the remaining year of the current referendum. This agreement may be renewed if the referendum is renewed by the voters of St. Lucie County.

- Beginning teachers = \$1000
- Teachers with 1-5 years of eligible experience = \$2000
- Teachers with 6-9 years of eligible experience = \$5000

- Teachers with 15 or more years of eligible experience = \$10,400

By May 30th of each year the plan and revenue generated by the referendum shall be reviewed by both parties. If the amount distributed salary through the plan is less than 70% of the total revenue available for teacher salary, the parties agree to immediately negotiate to distribute the remaining amount up to 70% to eligible teachers.

The parties agree that this supplement is based on the property tax referendum passed April 2019 by St. Lucie County voters. If the economic or other circumstances impact the revenue available for salary from the referendum both parties agree to begin negotiation to adjust this plan.

The recruitment and Retention Supplement will sunset at the end of the 2023 calendar year unless renewed by the voters of St. Lucie County. If renewed, both parties will meet to negotiate any changes to the plan, if necessary.

Regarding Recruitment and Retention Turnaround School Supplemental Services Allocation (TSSSA)
Chester A. Moore (CAM) Elementary
December 13, 2022

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) regarding TSSSA Recruitment and Retention bonuses for the 2022-2023 school year. The Board and the Education Association have no objection to implementing this agreement prior to the conclusion of the 2022-2023 school year. This agreement is subject to School Board approval and Union ratification.

Chester A. Moore was in School Improvement status for the 2021-2022 school year and as such, received state recruitment and retention bonuses.

Chester A. Moore achieved C status making them ineligible for those bonuses for the 2022-2023 school year. However, there is still a need for recruitment and retention strategies at CAM and they received another Turnaround School Supplemental Services Allocation allowing a bonus of a smaller amount to continue these efforts and sustain success.

The Board and the Education Association agree to provide a recruitment and retention bonus through TSSSA funds for Chester A. Moore Elementary. All Instruction Staff will receive a bonus if:

- They were reappointed and returned to CAM or were a new hire at the school for the 2022-2023 school year, and
- They were employed at CAM no later than September 15, 2022, and
- They have a 2022 State VAM rating of Effective of Highly Effective.

Total bonus amounts will be as follows:

- \$10,000 – 2022 3-year aggregate Math and ELA State Value Added Model (VAM) of a Highly Effective rating
- \$5,000 – 2022 3-year aggregate Math and ELA State Value Added Model (VAM) of an Effective rating

Regarding One-Time Payment-Referendum
January 17, 2023

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) regarding a one-time payment for teachers from roll forward referendum funds for the 2022-2023 school year. Both parties agree to implement this agreement prior to the completion of negotiations for the 2022-2023 school year.

As we near the end of the first referendum period, funds have rolled forward leaving a balance within the 70% dedicated to the recruitment and retention of teachers. To that end, both parties agree to utilize the balance to provide a one-time payment to teachers in a tiered manner that recognizes the need to reward and retain an experienced teaching force.

Therefore, all eligible teachers will receive a one-time payment as follows:

Beginning teachers = \$225
1- 5 years eligible experience = \$325

The parties agree to implement this agreement prior to the conclusion of negotiations for the 2023-2024 school year.

The parties agree that promoting and maintaining a wellness program for school district employees is beneficial to the overall mutual goals of the parties which include improving employee attendance and containing the cost of insurance premiums. The Board agrees to fund wellness incentives for those employees participating in the St. Lucie County School District Employee Health Plans. The incentive program period will run from June 1, 2023, through April 30, 2024.

The incentive program will reward participants' points based on the Incentive Program Activities and Points Schedule and each point is equal to \$1.00. Only employees who participate in the St. Lucie School District Employee Health Plans are eligible for wellness incentives. To receive the incentive the employee must be eligible and active as of the date the incentive award is made.

Regarding Summer School Teacher Pay
April 14, 2023

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) Classroom Teachers' Association regarding the summer school-teacher incentive pay rate for the 2022-2023 school year only. The parties agree to implement this agreement prior to the conclusion of negotiations for the 2022-2023 school year.

Due to Covid-related closures and interruptions, both parties understand that more students need supplemental instruction which will require expanding summer school opportunities and that the funding for this pay structure is available through emergency relief funds.

For this summer, teachers will receive their hourly rate plus an additional \$7.20 per hour for days worked. Summer school will be from June 12th, 2023, to July 13th, 2023, for all levels and for the 21st Century program. This rate will apply to all levels as well as any additional transition programs for kindergarten, sixth grade, and ninth grade funded through ESSER.

Due to the vast number of summer school classrooms, there is a shortage of substitute teachers, therefore, in addition to the above rate of pay, the following incentive will be paid to encourage attendance and a commitment to working for the full summer:

- Teachers with perfect attendance will earn a \$320.00 bonus at the end of the program.
- This attendance incentive is only for teachers working the entire summer and cannot be split between employees sharing a single position.
- For Speech Language Therapists and Occupational/Physical Therapists, the incentive will be earned if working all summer and in attendance for all scheduled sessions.

Regarding DCEC Differentiated Salary Adjustment
May 4, 2023

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) regarding incentive pay for teachers, clerical staff and teacher's aides assigned full-time to Dale Cassens Educational Complex, Data House and Detention Center.

It is recognized that recruitment and retention is a district-wide priority. However, there are unique challenges in recruiting and retaining the staff at DCEC/Data House/Detention Center in its role as an alternative to expulsion school. Both the union and district recognize that for safety and quality of instruction and student services, it is imperative that all positions are filled and that the highly trained, flexible, and skilled staff are committed to remain in that setting. As a recruitment and retention incentive, the following annual differentiated salary adjustment will go into effect beginning in the 2023-2024 school year to those staff members providing and supporting instruction and supervision.

2023-2024 School Year:

Letter of Understanding
School Board of St. Lucie County
Education Association of St. Lucie – CTA
Regarding Referendum and Recruitment Supplement
October 26, 2023

The following is a tentative agreement between the School Board of St. Lucie County (Board) and the Education Association of St. Lucie (EASL)/Classroom Teachers' Association (CTA) regarding salary compensation related to the voter-approved referendum dollars. This Letter of Understanding supersedes the LOU signed on July 25, 2022. This agreement is subject to ratification and board approval.

The Board and EASL agree to the following amounts:

- Beginning Teachers = \$2,000
- Teachers with 1-5 years of eligible experience = \$2,454
- Teachers with 6-9 years of eligible experience = \$5,454
- Teachers with 10-14 years of eligible experience = \$8,254
- Teachers with 15 or more years of eligible experience = \$10,854

Eligible teachers are newly hired or returning classroom and non-classroom teachers including ROTC instructors.

The supplement will be paid within scheduled paychecks and treated as salary. The supplement will apply to the FRS contribution. Employees who are on leave or who begin work after their contractual start date will receive a pro-rated share of the supplement.

By May 30th of each year, the plan and revenue generated by the referendum shall be reviewed by both parties. If the amount distributed salary through the plan is less than 70% of the total revenue available for teacher salary, the parties agree to immediately negotiate to distribute the remaining amount up to 70% to eligible teachers.

The parties agree that this supplement is based on the property tax referendum passed in April 2019 by St. Lucie County voters. If the economic or other circumstances impact the revenue available for salary from the referendum both parties agree to begin negotiation to adjust this plan.

Regarding Recruitment and Retention Turnaround School
Supplemental Services Allocation (TSSA)
Chester A. Moore (CAM) Elementary
December 15, 2023

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) regarding the renewal of TSSSA Recruitment and Retention bonuses for the 2023-2024 school year. The Board and the Education Association have no objection to implementing this agreement prior to the conclusion of the 2023-2024 school year.

Chester A. Moore was in School Improvement status for the 2021-2022 school year and as such, received state recruitment and retention bonuses.

Chester A. Moore achieved C status making them ineligible for those bonuses for the 2022-2023 school year. However, there is still a need for recruitment and retention strategies at CAM and will utilize the Turnaround School Supplemental Services Allocation allowing a bonus amount to continue these efforts and sustain success.

The Board and the Education Association agree to provide a recruitment and retention bonus through TSSSA funds for Chester A. Moore Elementary. All Instructional Staff will receive a bonus if:

- They were reappointed and returned to CAM or were a new hire at the school for the 2023-2024 school year, and
- They were employed at CAM no later than September 15, 2023 and
- They have a current State VAM rating of Effective or Highly Effective.

Total bonus amounts will be as follows:

- \$10,000 - 2022 3-year aggregate Math and ELA State Value Added Model (VAM) of a Highly Effective rating
- \$5,000 - 2022 3-year aggregate Math and ELA State Value Added Model (VAM) of an Effective rating

These bonuses will be paid in two equal payments on February 15th and May 31st. Teachers must be employed at CAM in an instructional position on the date that the bonus is processed and paid.

This agreement will sunset at the conclusion of the 2023-2024 school year.

Regarding Summer School Teacher Pay
April 4, 2024

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) Classroom Teachers' Association regarding the summer school-teacher incentive pay rate for the 2023-2024 school year only. The parties agree to implement this agreement prior to the conclusion of negotiations for the 2023-2024 school year.

Due to Covid-related closures and interruptions, both parties understand that more students need supplemental instruction which has required expanding summer school opportunities, and that the funding for this pay structure is available through emergency relief funds until the end of the 2023-2024 summer session.

For this summer, teachers will receive their hourly rate plus an additional \$7.20 per hour for days worked. Summer school will be from June 10th, 2024, to July 11th, 2024, for all levels and the 21st Century program. This rate will apply to all levels as well as any additional transition programs for kindergarten, sixth grade, and ninth grade funded through ESSER.

Due to the vast number of summer school classrooms, there is a shortage of substitute teachers, therefore, in addition to the above rate of pay, the following incentive will be paid to encourage attendance and a commitment to working for the full summer:

- Teachers with perfect attendance will earn a \$320.00 bonus at the end of the program.
- This attendance incentive is only for teachers working the entire summer and cannot be split between employees sharing a single position.
- For Speech Language Therapists and Occupational/Physical Therapists, the incentive will be earned if working all summer and in attendance for all scheduled sessions.

Wellness Incentive Program 2024-2024 School Year
April 25, 2024

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL), regarding the Wellness Incentive Program for the 2024-2025 school year. The parties agree to implement this agreement prior to the conclusion of negotiations for the 2024-2025 school year.

The parties agree that promoting and maintaining a wellness program for school district employees is beneficial to the overall mutual goals of the parties which include improving employee attendance and containing the cost of insurance premiums. The Board agrees to fund wellness incentives for those employees participating in the St. Lucie County School District Employee Health Plans. The incentive program period will run from June 1, 2024, through April 30, 2025.

The incentive program will reward participants' points based on the Incentive Program Activities and Points Schedule and each point is equal to \$1.00. Participating employees may earn up to 200 points for the entire year. For participants in a Health Savings Account (HSA) eligible plan (BC/BS Plans 5192/5193, 5180/5181, or 5172/5173), the wellness incentive will be awarded as a contribution to the employee's HSA account. Employees are responsible for ensuring that they do not exceed the HSA annual maximum contribution as per IRS regulation. For participants in a non-HSA-eligible insurance plan (BC/BS Plan 5771), the earned wellness incentive will be awarded as a credit towards the employee's health insurance premium. For any employee who is not eligible for the HSA contribution or premium credit, the wellness incentive will be paid out as a supplement. Only employees who participate in the St. Lucie School District Employee Health Plans are eligible for wellness incentives. To receive the incentive the employee must be eligible and active as of the date the incentive award is made.

The activities and points structure for the wellness incentive are specified in the Wellness Activities and Associated Points for the 2024-2025 Schedule as shown on page 2.

Regarding DCEC Differentiated Salary Adjustment
August 5, 2024

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) regarding incentive pay for teachers, clerical staff and teacher's aides assigned full-time to Dale Cassens Educational Complex, Data House and Detention Center.

It is recognized that recruitment and retention is a district-wide priority. However, there are unique challenges in recruiting and retaining the staff at DCEC/Data House/Detention Center in its role as an alternative to expulsion school. Both the union and district recognize that for safety and quality of instruction and student services, it is imperative that all positions are filled and that the highly trained, flexible, and skilled staff are committed to remain in that setting. As a recruitment and retention incentive, the following annual differentiated salary adjustment went into effect beginning in the 2023-2024 school year and will remain in place for the 2024-2025 school year for those staff members providing and supporting instruction and supervision.

2024-2025 School Year:

- Teachers will receive \$5,000. It shall be paid in two installments of \$2,500 by December 20, 2024 and June 1, 2025.
- Teacher's Aides/Paraprofessionals and Clerical Staff will receive \$3,000. It shall be paid in two installments of \$1,500 by December 20, 2024 and June 1, 2025.
- Must be hired prior to November 1, 2024 to earn first installment.
- Must be hired prior to May 1, 2025 to earn the second installment.
- Must be employed on date of payment.
- Employees on approved leave will be paid upon return to work.

Both new hires and internal SLPS transfers are eligible for the annual differentiated salary adjustment.
